Met men warn of 70 day floods

FORECASTERS have warned us to expect up to 70 days of floods as a series of wet weather systems hit the UK.

Parts of England and Wales were brought to their knees last month when flood water surged through streets, cutting off communities and forcing dozens to flee their homes.

John Lee, from MeteoGroup, said: "We're looking at 70 days ahead and it is looking mild and unsettled until Christmas."

SCUMBAGS!

Thieves nick Xmas presents from dying kiddies

HEARTLESS scumbags have stolen Christmas presents for dying children at Great Ormond Street Hospital.

Around 20 gifts, all wrapped ready to be given to some of the hospital's most unwell patients on Christmas Day, were taken.

The presents included portable DVD players, DVDs and games consoles, and were gifts for kids staying in the hospital's intensive care unit over Christmas.

It is believed that the gifts, which were being stored in a cupboard in a part of the hospital not open to the public, were taken over the weekend. The presents had been bought by the hospital charity and had been wrapped in festive paper, ready to be delivered to the patients.

The detective hunting the thieves branded them "heartless and despicable", adding: "For some of these children it could be their last Christmas."

Disgusted

Det Chief Insp Les Newman said his team were now scouring CCTV footage to catch the thief who may have smuggled the presents out in a rucksack.

Speaking yesterday at a press conference outside Holborn Police Station, close to the hospital, he said: "This is a despicable crime by a heartless individual or group who may not have realised where the presents were going."

"Staff and families at the hospital are understandably disgusted - as I think we all are - at the actions of this

person or persons.

"For some of these children it could be their last Christmas as they are in the intensive care unit."

"Anyone who has kids will feel for this crime and especially if they have had a sick child. I would urge anyone with information to come forward so we can try and get these presents back before Christmas Day."

Met Police have a dozen officers working on the case but have not released any footage of suspects so far.

DCI Newman asked the thief to have a conscience and return the gifts or leave them in an area where officers could collect them.

He added: "I urge the thief to think about their actions and do the decent thing and return them."

"I would like to think they had a heart - especially around this time of year."

Apprentice star Alan Sugar has said his company would pay for new presents for the children.

He posted on Twitter: "Disgusting that xmas presents were stolen from @greatormondstreet kids. Replace them and send me the bill to @stylefile."

Later, Curry's and Blockbuster also promised to replace the stolen gifts.

The Ice Queen... HRH lands Antarctic Jubilee gift

A LARGE section of barren snow and ice was yesterday named in honour of the Queen as she attended her final Diamond Jubilee event of a momentous year.

In an utterly pointless gesture, Foreign Secretary William Hague made the announcement after taking her on a tour of the historic Foreign and Commonwealth Office (FCO) building in the heart of Whitehall.

The southern part of the British Antarctic Territory has been named Queen Elizabeth Land in honour of her

60-year reign.

Speaking to assembled staff and senior FCO officials, Mr Hague said: "As a mark of this country's gratitude to the Queen for her service, we are naming a part of the British Antarctic Territory in her honour, as Queen Elizabeth Land."

Without a hint of irony, Hague added: "This is a fitting tribute at the end of Her Majesty's Diamond Jubilee year, and I am very proud to be able to announce it as she visits the Foreign and Commonwealth Office."

Big gunmaker stake sold after US shootings

THE powerful US gun lobby felt the first backlash from the Newtown massacre yesterday when a leading private equity group sold its stake in the company that made the killer's assault rifle.

Adam Lanza (above) used a Bushmaster AR-15, a civilian copy of the military's M-16.

Cerberus Capital Management said it would sell its stake in Bushmaster, calling last Friday's attack a watershed event in the national debate on gun control.

Cerberus attempted to distance its move from the debate, saying: "We believe that this decision allows us to meet our obligations to the investors whose interests we are entrusted to protect without being drawn into the national debate that is more properly pursued by those with the formal charter and public responsibility to do so."

The group said it was deeply saddened by the shooting.

Versions of the AR-15 were outlawed in the US under the 1994 assault weapons ban, but the law expired in 2004.

A White House spokesman said curbing gun violence was a complex problem that required a "comprehensive solution."

I STUMBLED upon an amazing fact the other day – if you're 27 or younger, you've NEVER experienced a colder than average month in your life! But the boffins can say what they like, it's been FREEZING lately!

I'm sure they've got all kinds of fancy instruments to measure temperature but I can judge it more naturally – by my nipples! And, believe me, they've been perky recently!

JLS fans use parcel force to meet the band

CHART-TOPPING boyband JLS have revealed saucy female fans have been sending THEMSELVES to the lads covered in wrapping paper.

And one of them arrived wearing nothing but a saucy French maid's outfit and nipple tassels.

The heartthrobs – Aston Merrygold, Marvin Humes, Oritse Williams and JB Gill – confess their fans go to great lengths to impress their idols.

Oritse (above) said: "Girls wrap themselves up and then deliver themselves to us and we have to unwrap them. It was my birthday and I had to unwrap one of them."

"She was wearing a French maid's outfit and nipple tassels."

Pal JB added: "It was a lovely present!" One crazed fan tried to smuggle herself into their hotel room inside some luggage.

Marvin said: "One fan sent herself to us in a suitcase. She tried to travel to our hotel in it with the hope one of us would take the bag to our room. She got rumbled."

Strictly no horse play for Louis

OLYMPIC medallist Louis Smith has revealed he has never bonked on a pommel horse.

Louis won silver at London 2012 for his impressive routine on the leather-covered apparatus – but he reckons he has never had sex on it.

The 23-year-old gymnast, who is in the final of *Strictly Come Dancing* on Saturday night, says he has done it other risqué places.

He revealed: "No, I have never had sex on a pommel horse. But I have done it in a hot tub. In Jamaica."

Smith has an army of female followers but he revealed he's been leading a squeaky-clean life while tapping his toes on the Beeb's show.

He said: "I've been wrapped up in the *Strictly* bubble. But at Christmas I'm going to be eating lots and lots of food and I'm going to be drinking lots and lots of alcohol."

Fury at UKIP candidate's 'call' to abort Down's babies

A CHARITY is "disgusted and horrified" that a UKIP Party candidate has appeared to call for compulsory abortion of any unborn baby with Down's Syndrome or spina bifida.

In his online personal manifesto Mr Clarke, who is standing for Kent County Council and Gravesham Borough Council in a by-election, called for a Government review into NHS expenditure.

He said the review should "consider compulsory abortion when the foetus is detected as having Down's, spina bifida or similar syndrome which, if it is born, will render the child a burden on the state as well as on the family".

But Mr Clarke said he doesn't actually endorse the statements on his website, adding: "They are for the commission to consider how best to cut service levels if it is decided to do so."

But Mark Goldring, of learning disability charity Mencap, said: "We are disgusted and horrified."

"It is abhorrent that Geoffrey Clarke sees disabled people as a burden when people with learning disability lead full lives and make valuable contributions to their communities. We question if he is fit for public office."

Sam Pooley, 38, wants women to bare their breasts for her project – and plans to turn the pics into wallpaper, with proceeds going to breast cancer research.

The Birmingham City University School of Art student said more than 300 women have already signed up to be pictured.

They include an 82-year-old gran and a professional wet nurse who has breastfed more than 50 children.

Sam, from Shrewsbury, has snapped some women at her home and plans to hit the road with a pop-up studio to photograph groups of women around the UK from next month.

As Patrick Moore's star burns out, who will be next to join him in the great beyond?

IT'S THE WORLD-FAMOUS **Sport** CELEBRITY DEATH SWEEP

NEXT? Des (above) replaces Patrick Moore on the list

THE death of the nation's favourite stargazer Sir Patrick Moore last week at the tender age of 89 was a tragic loss for the world of astronomy.

But there were a few lucky souls who could take a small crumb of comfort in his untimely demise – anyone who had him in the world-famous *Midweek Sport* Death Sweep!

It's been a busy time for the grim reaper lately and as the winter bites he's only going to get busier.

So make sure you get your gear and sort out the new Death Sweep before Christmas.

Rudest

Des O'Connor is the latest addition to the list – he's only 80 and in the rudest of health so unlucky if you pull him out of the hat!

Of course, we're all terribly sad whenever

one of the list shuffles off this mortal coil and we never want anyone to pop their clogs.

But when they're looking down from heaven we're sure they'll be thrilled that their final act is to help someone get their hands on a few quid.

And it couldn't be easier to play along – just follow these simple instructions – and if Death shines kindly on you, you could end up filthy rich!

Judge lays into 'worst' sex case GP

A JUDGE has lambasted a GP jailed for 11 years for indecently assaulting seven female patients over a 25-year period.

Simon Lawler QC said: "In my 40 years' experience, this is the worst case of its kind by a professional man I've had the misfortune to encounter or try."

Female jurors wept as the judge delivered his verdict on Dr Gousul Islam, 70, who hung his head in shame in the dock at Sheffield Crown Court.

In his consulting room at a Doncaster area village surgery, Islam serially groped the teenage girls and women he "examined".

The allegations came to light when a woman complained to police and inquiries led to other victims.

Judge Lawler praised the women for speaking out, after a jury found Islam guilty of 18 counts of indecent assault.

Dog poo man jailed over death threats

A FURIOUS dad has been jailed after a "petty" neighbourhood feud over DOG POO led to death threats and arson.

Brian Carvill, 41, was raging when a neighbour told members of his family off for letting his Labrador crap on the pavement.

Andrew Herbert asked Carvill's family to remove the dog turd - so they put it in a plastic bag and threw it on to his doorstep.

Prosecutor Michael Hammett told Merthyr Tydfil Crown Court: "Carvill later confronted Mr Herbert and told him, 'A big man like you can be dealt with'."

Carvill later set fire to his neighbour's van causing £5,000 of damage.

He also called at Mr Herbert's home saying: "I did warn you. You have a nice house, I would be careful. An Englishman's home is not his castle."

Carvill then threatened to kill Mr Herbert's wife and children and told him: "You're a dead man. This is not over."

Carvill, of Rhondda, South Wales, was jailed for 16 months after admitting making threats to kill and arson.

Dad bites off rival's finger at children's Christmas play

By NEIL GOODWIN

A DAD is facing jail after he admitted biting off another man's finger during a school NATIVITY play.

As proud parents waited for the show to start at Harton Primary School in South Shields, Lee Wilkinson attacked Michael Dent.

One on-looker said he "spat blood out like an animal" after the brutal attack on December 6 last year.

At Newcastle Crown Court Wilkinson, of South Shields, pleaded guilty to unlawful wounding and a separate public order offence relating to a run-in between the two men last Christmas Eve.

Wounding

Wilkinson, 40, had been due to be tried on the more serious charge of wounding with intent and affray, which were dropped after he entered his guilty pleas.

Prosecutor Neil Pallister told the court Mr Dent had been consulted and agreed to the lesser charges being accepted.

He added: "There is somewhat of a complex background to the case and indeed it is accepted Mr Dent himself was too cautioned in relation to assaults on Mr Wilkinson."

"Matters came to a head at the nativity play, approximately a year ago."

At the time of the incident, it was claimed Wilkinson had previously been in a relationship with Mr Dent's former wife.

Wilkinson was granted bail until January 25 next year, when he will be sentenced, but was warned he may end up behind bars.

Judge Simon Hickey said: "He must

Wilkinson admitted his guilt on a basis which was not read out or explained in court.

SCOTLAND'S GONE TO POT

SCOTLAND has the most potholes in Britain and the London the least, a new league table has revealed.

Monitors spent 800 hours counting the number of potholes in roads up and down the country to create the table.

However, with the winter weather taking its toll on the roads the AA, which conducted the survey, predicts there will be more soon.

The study shows that Scotland had the worst roads with 8.9 potholes per

mile, followed by Yorkshire and Humberside with 8.5.

The West Midlands had 7.3 per mile compared with the East Midlands who had a better 6.4 per mile.

In the North West an average of 6.1 potholes per mile was recorded. It was followed in the table by the South East with 5.8, East Anglia 5.6 and the South West 5.2.

London recorded the least potholes with 4.9 potholes per mile.

A HAPLESS thief left a vital clue at the scene of his crime – a letter from the police with his NAME and ADDRESS on it.

William McPherson, 29, was given the envelope by cops when they released him from custody the previous day.

But the paperwork fell from McPherson's pocket when he broke into a public swimming pool the next day.

Prosecutor John Lloyd told Swansea Crown Court: "When he was released on bail McPherson was given an envelope containing his valuables."

"It had his name and address on it – that's what police found at the scene of the burglary."

He took £60 from the till at the swimming pool in Cardigan, West Wales.

McPherson, from Cardigan, admitted burglary and was jailed for 12 months.

KIM'S A DIRTY GIRL!

By ALICE WALKER

GIRLS Aloud babe Kimberley Walsh was left red-faced when she found a pair of her dirty knickers stuck in a dress on national telly!

The *Strictly Come Dancing* star was mortified when she discovered the worn pants in a frock she'd last worn in 2004.

When the 31-year-old spotted the unwashed undercrackers she held them up and stared at the camera in horror and said: "Is somebody actually kidding me? I'm horrified!"

Kimberley and her bandmates Cheryl Cole, Nadine Cole, Sarah Harding and Nicola Roberts – starred in a one-off documentary to mark their tenth anniversary in the music industry.

Girls Aloud: Ten Years At The Top on ITV1 was watched by over two million viewers who all witnessed Kim's dirty pant shame.

Skimpy

Cameras had followed the girls as they reminisced about the old outfits they wore in some of their most famous videos. And Kim found a skimpy pink frock she wore in the video for their famous track *Love Machine*.

But she wasn't expecting to find a pair of eight-year-old dirty knicks still caught up in the flimsy material.

A pal said: "Kim couldn't believe that her dirty knicks were in storage with her frock."

"All and sundry could have been sniffing them – she's so embarrassed."

The fit fivesome shot to fame after winning reality TV show *Popstars: The Rivals* back in 2002.

Following a three year break they reformed in the autumn, releasing a new single and album last month ahead of a tour in February.

Workers have room for Merry Sexmas

AN OPTIMISTIC 11 per cent of blokes book a hotel room in case they get lucky with a colleague at the work Xmas party, research shows.

And just five per cent of women admit to booking a room in case they get frisky under the mistletoe.

A Hotels.com poll says 61% of UK office workers fancy a co-worker, with more than 25% saying they would act on their crush at the Christmas party when fuelled by booze, and 1% saying they would get a promotion.

A large 42% say the potential embarrassment or rumours following a yuletide romp would put them off, with 17% being scared of rejection.

The poll also revealed some weary-eyed workers have slept in a broom cupboard at their party venue while others have dozed off in a phone box.

Judge says no after boozy soldier pleads for pub ban

A DECORATED soldier who turned to drink after returning from Afghanistan and Iraq BEGGED a judge to ban him from every pub in his home town – because booze turns him into a “prat”.

Scott Bryce, 26 – who received a Military Cross for bravery – blamed his boozing on the trauma of seeing comrades die.

The father-of-three appeared before Worcester Magistrates' Court on Monday and pleaded guilty to being drunk and disorderly following a fight outside a pub in the city on December 2.

Bryce, who served with the 1st Battalion The Rifles, asked magistrates to impose a ban on him entering any pubs in Worcester.

He told District Judge Nigel Cadbury he was getting help and group therapy from the charity Combat Stress.

Bryce said: “If I can recommend you put a ban on me drinking in public places.

“I’m just always drinking and making a prat of myself and getting myself into trouble.”

But the judge refused to impose a ban and instead fined him £135, ordered him to pay £85 costs and a £15 victim surcharge.

Ethel, 83, faces jail for hate campaign against neighbours

By NEIL GOODWIN
neil@sundaysport.co.uk

AN EVIL great-granny faces jail after terrorising her army sergeant major neighbour and his family.

Ethel Watkins, 83, could spend time behind bars after repeatedly breaching a restraining order barring her from further harassing her young victims.

The 5ft 5in-tall widow – known in her local area as “The Duchess” – was accused of banging on the walls and setting off her own burglar alarm to deprive children of their sleep.

She even taunted the young mother about the loss of a six-month-old baby – and told her she hoped her husband “wouldn’t come back from Afghanistan”, a court heard.

Abuse

Evidence gathered by the family included snaps of the angry gran flashing a V-sign and sticking her middle finger up at their home in Melton Mowbray, Leics.

JPs had previously slapped the pensioner with a restraining order on July 25 this year for her campaign of abuse.

Watkins was arrested again on September 28 after she sang songs about a baby they had lost and referred to her female victim as an “evil witch” and “acum”.

The family have since moved to Cyprus.

Punishment

In court Watkins was told she may face prison when she is sentenced early next year.

Chair of the bench Ben Faust, said: “We are not giving any indication as to the sentence the court may impose in your case and we leave all options open.

“This means the court which sentences you may send you to prison or to the crown court for greater punishment.”

alone, was told that the only thing keeping her out of prison was her age.

But Loughborough Magistrates have now found her guilty of breaking that order less than 24 hours after it was imposed.

On that occasion she sang a song at the family, which included the lyrics: “I hope he doesn’t come back (from Afghanistan) but he probably will because

Justin: I'm not going in Big Brother house

DISGRACED comedian Justin Lee Collins says he WON'T be taking part in January's *Celebrity Big Brother* despite being asked.

Collins, 38, who was convicted of abusing his ex-girlfriend in October, said he had been asked by Channel 5, but had turned the offer down.

The family of former lover Anna Larke, also 38, had launched a campaign last week to stop him appearing on the show, but today Collins claimed that was not the reason why he declined.

A spokesman for him said: "There has been much speculation about whether Justin Lee Collins will be entering the *Celebrity Big Brother* house."

"He was approached by the programme and although thrilled to have been asked, he declined the offer several weeks ago. To be clear, this decision is in no way connected to Alex Larke's petition."

Collins was found guilty of harassing Anna and subjecting her to a seven-month ordeal in which he slapped her and spat in her face.

Cops arrest two over 90s van raid

TWO women have been arrested as part of a probe into a £1million security van raid nearly TWENTY YEARS ago.

Eddie Maher, 57, was arrested in February this year in Ozark, Missouri, USA. He had been wanted for questioning since the Securicor van he was driving was stolen from outside a branch of Lloyds Bank in Hamilton Road, Felixstowe, in 1993.

Suffolk Police made the latest arrests this week. A spokeswoman said: "The 47-year-old and 64-year-old women, both from Eastbourne in East Sussex, have been arrested on suspicion of conspiracy to steal and assisting an offender."

"The women were arrested by Suffolk Police officers in Eastbourne and are currently being held in custody at Eastbourne custody investigation suite."

BOFFIN Stephen Hawking has turned down a staggering £350,000 to appear on *Celeb Big Brother*.

The wheelchair-bound physicist, 70, was offered the biggest pay-packet ever as bosses tried to make it more 'high-brow.'

But Hawking said he couldn't cope with being cooped in a house full of wannabees.

A close friend said: "When Stephen heard, a big grin spread across his face. He thought it was very funny."

"He gets wacky offers all the time and is always turning stuff down. He has a good sense of humour and might find being in the house amusing for a bit. But he would end up bored rigid."

CELEBRITY BIG BOOBIES!

Gorgeous Gemma Massey lined up for reality TV show

By RACHEL SPENCER
rachel@sundaysport.co.uk

GORGEOUS glamour girl Gemma Massey is lined up to star in the new *Celebrity Big Brother*.

Channel 5 bosses are desperate to sign the 32E pin-up after she was linked to a string of famous male celebs.

The latest lucky fella on her arm is *X Factor* winner James Arthur, 24, but she's also been snapped on nights out with Mark Wright, 25, and Kirk Norcross, 24, from *The Only Way Is Essex*.

A show insider said: "Gemma would be perfect. She is the glamour girl of the moment and a lovely, down to earth girl with no airs or graces. They think she'll be just as successful as Natasha Giggs was last year."

Bosses are also hoping to lure *X Factor* star Rylan Clarke into the house on January 3 together with Steps singer Claire Richards and Yank actress Heidi Montag, star of MTV's *The Hills*.

Nurse

Gemma, 28, from Tamworth in Staffordshire, shot to fame as a model and porn star seven years after being discovered by a photographer stacking cans of beans at a supermarket.

Since then she's had four boob jobs - taking her to a jaw-dropping 32E - and has earned millions as a top adult entertainer. She recently retired from the sex industry, saying she felt 'too old' and plans to retrain as a nurse.

Bosses hope she will be as successful as teacher-turned-pornstar Benedict Garrett who appeared last year.

The insider said: "Gemma has got close to some of the biggest stars of the moment, Mark Wright and James Arthur."

"If she talked about them in the house it would be sensational and would have men tuning in to ogle her curves and women to find out about her famous flings."

Chelle's boobs have X Factor for star James

X FACTOR star James Arthur has had no shortage of female admirers since he won this year's show but says his ultimate crush is *Corrie* babe Michelle Keegan.

The 24-year-old singer (*above*) says if he could have any woman on the planet he would pick soap babe Michelle (*below*).

And it's all because of her amazing BOOBS.

James told *More*

magazine: "I fancy quite a few, but if I could choose any woman it would have to be Michelle Keegan."

"She's just really hot and her boobs are very, very good."

Michelle, 25, who plays Tina McIntyre in the ITV1 show, has been voted soap's sexiest several times and is currently single.

James, whose debut single *Impossible* is at No.1 in the charts, has been seen with a string of ladies including *Made In Chelsea* star Kimberley Garner.

Gambler raided fruity for wages

A PUB regular who lost his wages in a fruit machine broke in after closing time to smash it open and take his money back.

Jason Prentice, 43, had downed at least 10 pints at the country pub in Devon and could not face going home to his bank cashier wife with empty pockets.

He left the Farmers Arms at Woolery, Devon, waited for the landlord to go to bed, then broke a window to get in.

He cut himself on the broken glass as he broke in and police were able to trace him because he left his DNA on the window sill and the fruit machine.

Handy-man Prentice, of Branton, Devon, admitted burglary at Exeter Crown Court and was ordered to do 150 hours unpaid work, repay the £519.20 he took from the machine, plus pay £250 costs.

Olympic star's big night out with TOWIE babe Lauren Pope

SPLASHING OUT: Tom and Lauren hand-in-hand

By RACHEL SPENCER

rachel@sundaysport.co.uk

HERE'S top diver Tom Daley's new pal Lauren Pope showing off the boobs he'll be dying to see!

The teenage Olympic bronze medallist was snapped hand-in-hand with *The Only Way Is Essex* babe Lauren as they left a London nightclub.

And cheeky Lauren has already hinted he's had a peek at her boobs – tweeting: "Strip poker anyone?" during their night out together at the One Marylebone club.

Fondling

DJ and reality babe Lauren, 30, also posted snaps of herself fondling the 18-year-old's chest at Will.I.Am's launch party.

One onlooker said: "Everyone was shocked when Tom and Lauren started cosying up to each other."

"He's a squeaky clean athlete and she's a glamour model so you would hardly put them together. But they looked very close."

Lauren, who was once linked with Prince Harry, arrived at the bash with Jordan's ex-boyfriend Leandro Penna, who is filming a new reality show called *Splash* with Tom.

Saucy

And these are the boobs that Tom could have feasted his eyes on if he did take lovely Lauren – who had her chest boosted to a 34DD earlier this year – up on her offer of a saucy card game.

A friend of the babe said: "Lauren has a great body and any red-blooded man would jump at the chance of seeing her in the buff."

But Lauren denied her and Tom were anything more than friends after the bash.

She tweeted: "Omg what a funny night and just for the record I can assure you that Tom Daley and I are just mates and nothing more xx"

APOCALYPSE

It's the end of the world on Friday – so how are you

SO that's it then – the world's about to end.

It looks like those pesky Mayans were right after all and, yes, global apocalypse takes place this Friday – 21/12/2012.

So we're all f***ed. Game over. No golden goals. We're all going to die painful and horrible deaths.

It's a shame really. It would have been nice to have had Crimbo.

But we mustn't grumble, there was bugger all on telly this year anyway.

And we've had a good innings – the planet's been circling around like a divvy for the past five billion years.

It is rubbish that it had to happen on our watch, but there you go.

And there are lots of positives to take from our impending doom – you can get refunds on your Christmas presents for a start.

You can also die with the

By **TOM LAW**

news@sundaysport.co.uk

comfort of knowing John Terry's definitely going to win bugger all this season.

But, best of all, this offers us a once in a lifetime opportunity to go absolutely f***ing nuts: To do all the things you've wanted to do, to party like it's 1999, to act like a total tit, to shag like a Bolivian monkey, to attack people with chainsaws.

Naked

If you've got any sense, you won't waste any more time reading this bollocks – you'll be running around naked, sucking on a crack pipe and trying to bonk anything with a hole.

But just in case you're stuck for ways to use these last precious hours on the planet, here are a few suggestions.

1 JOIN IN WITH A STREET ORGY

This is what everyone's going to be doing – you'd be daft to miss out. All the neighbours will be in the street banging away in a big mangled pile of arses and tits. No time to be choosy. If it smells okay and has a hole – whack it in!

2 PUSH SOMEBODY OUT OF A TOP-STOREY WINDOW

We have all fantasised about it – now's your chance. Find somebody looking out of an open window, grab their ankles, lift them up and shove. Then enjoy the thrill of seeing the body plummet cartoon-style. Terrific fun.

3 ORGANISE A CRICKET MATCH ON A VILLAGE GREEN

Sure, you could be looting shops and f***ing in the streets. But how about showing a bit of British stiff upper lip by organising a nice civilised game of cricket? And if the umpire gives a dodgy decision, batter the tosser.

4 DRINK A PINT OF COUGH SYRUP

It's the sweet and syrupy soothing stuff you used to get spoon-fed when you had a cough – nicest drink ever which is wasted on coughs. So loot some bottles, whack it in a pint glass and down the bastard.

5 RUN AROUND WITH A LEAF BLOWER, LIFTING UP WOMEN'S SKIRTS

This is exactly what Benny Hill would have wanted you to do. You're going to need an extension lead or a battery pack, plus a pair of thick-rimmed specs, as you use the power of your blower to create some saucy havoc.

6 GET A SYMPATHY SHAG OFF A CELEB

These celebrities love doing stuff for charity, and with the world about to end it's going to be hard for someone like Cheryl Cole to turn down your heartfelt plea for a sympathy shag. "Aye, go on pet. Hop on." Wahoo!

7 GO ON A SWAN-KILLING RAMPAGE

These arrogant bastards have been swanning around for too long with their stupid necks and protection from The Queen. Let's see Her Majesty protect you now, you arm-breaking f***ers.

8 AMUSE PEOPLE WITH YOUR HILARIOUS "IT'S NOT THE END OF THE WORLD" GAG

Lots of folk will be weeping and wailing, so what better way to put a smile on their face than with a cheeky: "Don't worry, love; it's not the end of the world". Leave it a couple of seconds and say: "Oh sorry, yes it is". Then piss yourself laughing at your own genius. Then repeat.

9 TAKE A SICKIE FROM WORK

It's payback time for all those years of 9 to 5 slavery. This is your chance to sock it to The Man. You're going to phone up your boss, put on a slightly croaky voice and tell him you may have picked up some flu and you're not coming into work today. What's he going to do? Sack you?

SOON!

going to spend your final hours?

16 TAKE A DUMP IN YOUR DOG'S BASKET

And if you don't have a dog – find one. Because this is payback for all them years of having to step around pavements and parks full of dog shit. Let's see how the yappy bastards like it when they're space is invaded by a massive, man-made curler.

17 CAMP OUT IN THE WOMEN'S TOILETS

We're talking proper camping, like with a tent, little gas heater, fold-out chairs, video camera and stuff. Okay, it might seem a bit creepy at first but it's the end of the world so they'll be fine about it... probably.

18 GO TO A ZOO AND CHALLENGE ANIMALS TO FIGHTS

Down a few tinnies to boost your superpowers and then head for the nearest zoo. Take it easy to start with – lamp a few pelicans and tw*t a kangaroo. Then start upping the difficulty level: "Come on then Mr Polar Bear, you big white bastard. Let's ave it."

19 GIVE YOURSELF A BLOW JOB

All it takes is the removal of your lower two ribs, easily done with a few kitchen implements. Then you can finally see for yourself what Marilyn Manson has been enjoying all these years... allegedly.

20 KILL BILL

Get dressed up in a yellow trackie, grab a samurai sword and find somebody called Bill – every street has one. Then it's simply a case of killing him. He's sure to see the funny side as you lop off his arms and explain the movie reference.

21 RETURN ALL THE TINY PENS/PENCILS YOU NICKED FROM ARGOS OVER THE YEARS

Sure, you used to be a rebel. You had your crazy, carefree years and in that time you robbed Argos pens. But now it's time to make peace with the world and back they must go.

22 SMOKE A CRACK PIPE

All the kids are doing it these days so it's deffo worth giving this crack stuff a quick toot before you toddle off this mortal coil.

23 SHAG A SHEEP

This is no time for national stereotypes – it's something anyone get stuck in with. Because, be honest, you've always secretly thought a big white fluffy thing is actually a great thing to whap your fella into.

24 STAY IN BED

It's only the end of the world – no big deal. It's probably going to be shit anyway, just like New Years Eve with loads of dickheads getting pissed and hugging each other. Stay in bed and have a w*nk instead.

25 RECREATE BARNEY THE DUMB GUMBLE'S DRINKING MARATHON

Made famous by *The Simpsons* character, this is every ultimate pub boozers' fantasy.

Doing a Barney involves lying on your back across the bar with your mouth below the tap of your favourite beer and then just letting it flow – until you pass out or die.

26 CRUSH SIMON COWELL'S HEAD IN A VICE

There are many others you could target. But this smarmy f**wit has to be top of the list.

27 COOK YOURSELF A BACON SARNIE

You can keep hot sex with a supermodel or some artsy sunset. If you want total bliss for your final moments on this planet then you need to be stuffing your face with bacon butties.

28 HAVE SHOUTY SEX

For years you've had to hold back on the volume because of them nosey bastards next door. So now's the time to let rip. This is your chance to howl and holler with Pavarotti-style screams and grunts of pleasure as you guide the old fella home.

29 ANNOY PEOPLE WITH YOUR CHIRPY BANTER

Walk around with a jaunty stroll while whistling *Always Look on the Bright Side of Life* and occasionally telling weeping people to: "Cheer up, it might never happen".

30 START PRAYING

You're not religious but with the end of the world approaching you'd be daft not to give the religions a punt. Have a look around on the internet to see which ones are doing the best deals and which has the best heaven, then just pray they are daft enough to let you in.

31 TOP YOURSELF

At least you'll beat the rush!

Silent bank robber makes off with £2k

A SILENT bank robber handed a note to a terrified cashier which read: "£5,000 now – ssshhh! Or I'll shoot!"

The thief didn't say a word during the raid at a NatWest bank in Irlams O' Th' Height, Salford, as he placed the hand-written note on the counter before being handed more than £2,000 in cash and walking out.

Police are studying CCTV footage and the note in an attempt to track him down.

Some of the cash was found abandoned nearby, covered in security dye which had activated shortly after his calm escape.

Police believe the man, who was wearing a thick woollen hat and a black snood, may have been covered in ink.

Det Con Allan Barker, of Swinton CID, is appealing for witnesses and said:

"Did you see someone that day who perhaps had stained hands or dye on his clothing?"

The robber is white, up to 6ft, athletic and aged in his late 20s or early 30s with pock marks on his cheeks and a blue stud earring.

Posh loos are pooh-pooed

A COUNCIL has been slammed over plans for a £450,000 makeover on its public loos.

The Labour-controlled Oxford council want to decorate bog walls with famous quotes – so folk can ponder while they poo – and install fresh flowers, better quality soap and books to read.

Stainless steel fittings would be replaced with a more hygienic composite material, vandal-resistant dryers would be fitted, along with better lighting, hooks for bags and coats and easy-to-use locks.

But critics say the council has its priorities wrong by ordering the facelift at the same time as cutting services – such as Dial-A-Ride for people with mobility issues.

Conservative councillor Arash Fatehian said: "Is it right to spend £450,000 to bring toilets up to a 'gold standard'?"

11 TRACK DOWN FIONA BRUCE AND TELL HER YOU'VE GOT A CLASSIC PIECE THAT NEEDS EVALUATING

She's the unattainable, hatchet-faced beauty who has helped light up our Sunday evenings. So what better way to show your appreciation than by finding her and offering to show her your todger?

12 NICK AN OIL TANKER AND TAKE IT FOR A JOYRIDE

Everyone will be thinking sports cars – nah, boring. Think bigger. Think oil tanker. Hot-wire one of these bad boys and go f***ing crazy out on the ocean waves and crash into lighthouses and stuff – very, very slowly.

10 TAKE A HUGE AMOUNT OF LSD AND GO OUT IN GLORIOUS TECHNICOLOR

You need to take crazy amount of acid for this and then stick on a pair of those old-school 3D specs with the blue and red lenses. Now – all you have to do is ride the psychedelic rainbow until the lights go out.

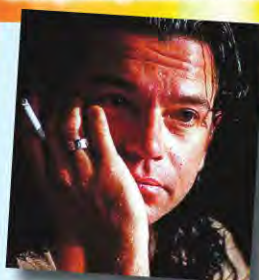

13 GO ON A CHAINSAW MASSACRE IN A SHOPPING MALL

Everyone loves zombie movies so what better way to keep spirits up during these difficult times than to run around a shopping mall with a massive chainsaw, mowing down everyone while making witty *Evil Dead II*-style quips?

14 GO SWIMMING STRAIGHT AFTER EATING A LARGE MEAL

Your mum reckoned this was one of the most dangerous things in the world, along with swallowing chewing gum. So f*** it – stuff your face and jump in. And then phone your mum to complain if you're still alive.

15 TRY OUT A MICHAEL HUTCHENCE-STYLE W*NK

Normally, the risks of being found dead with your kecks around your ankle and a dog collar around your neck are too great. But not any more.

McD girl's £3k for McFlurry sprinkle sack

A McDONALD'S waitress has won £3,000 compo for being sacked after sprinkling too much chocolate on an ice-cream.

Sarah Finch (above), 19, was fired for gross misconduct after giving extra chocolate topping to a workmate on a 99p McFlurry.

Furious Sarah took the restaurant to an employment tribunal after bosses accused her of giving away food without payment, but her unfair dismissal claim was settled out of court.

In a statement, Sarah said: "I was dismissed on the grounds of gross misconduct, accused of stealing food."

"The matter was trivial...there is no standard for such measures - they are always imprecise."

Sarah, from Kidwelly, West Wales, who is now studying for A-levels, was described as an "exceptional employee" before being sacked by the Carmarthen branch.

A spokesman for the McDonalds franchise said: "This matter has now been resolved to the satisfaction of both parties."

Jail for cattle truck joyrider

DRIVER Russell Kelly got 15-months' jail when he nicked a CATTLE TRUCK - and tried to shake off three cop cars.

They were quickly on his tail after he drove the 7.5ton vehicle out of a cattle market.

Kelly hit 60mph on the M1, overtook traffic on the inside and ripped off a lorry's wing mirror when he cut it up on leaving the motorway.

He then went back onto the M1 and drove along the hard shoulder until three patrol cars brought him to a halt and he was arrested at the roadside.

Kelly, 49, of Doncaster admitted aggravated vehicle taking and dangerous driving at Derby Crown Court. He had 123 convictions and Recorder Tim Spencer told him: "Your record is depressing in the extreme" as he also gave him a year's driving ban.

Glamour babe Lyla is mad for fishing

CATCH OF THE DAY: Lyla with the 12lb tuna she caught off Cape Verde and (below) relaxing by the canal

By JESSICA HAWORTH
jessica@sundaysport.co.uk

ANGLING fanatic Lyla Ashby is a reel catch!

The 34F glamour girl loves spending her days down by the river trying to catch fish.

And when she's not after roach and tench in her local canal she's hitting the ocean waves after tuna.

Lyla took up the hobby three years ago after a boyfriend asked her to join him on the riverside.

She said: "I loved it - the relationship didn't last but my love for angling did!"

The Cheltenham, Glos, babe, 24, said: "It's very relaxing - interspersed with moments of action."

"It's weird because both bits are so relaxing, it's just so quiet - it's a world away from my normal life."

Slime

"I'm normally quite a girly girl so my family was shocked when I started buying maggots and coming home covered in fish slime!"

But Lyla, who recently went from brunette to blonde, says her favourite trip was fishing off the coast of Cape Verde's Boa Vista on a luxury fishing yacht.

She said: "I love sea fishing because there's a lot more to see and do. It's a bit more fast-paced and exciting."

"While there we spotted whales and dolphins. Plus I caught a 12lb tuna, which made my day."

"I caught four on that day, more than my friends, and we celebrated by going for a seafood dinner."

"Hopefully next time I'll catch a really big one. I'm looking forward to going back already!"

HELEN FLANAGAN'S THE LATEST CELEB THE YEAR OF THE SIDE BOOB!

YOU can always rely on the rich and famous to find an exciting new way of flashing their beautifully toned flesh.

And 2012 has been all about the **SIDE BOOB**.

Busty stunnas from all over the world have been treating us to a daring

By **KELLY JENKINS**
news@sundaysport.co.uk

glimpse of their side breasts – with some even letting a cheeky nipple hang out too!

Last weekend *I'm A Celeb* star Helen Flanagan was the latest superstar to flaunt her assets.

The former *Corrie* actress donned this sparkly pink dress for a charity ball in Manchester. The night was hosted by Man City star James Milner, teammate of her fella Scott Sinclair – and Helen gave lucky onlookers a clear view of her sideboobs.

But she's just the latest in a long line of celebs including

WAG Abbey Clancy who let her NIPPLE slip out at a recent launch party.

Bare

And it's not just our Brit babes who've decided to bare their side cleavages.

The craze has officially gone global – with top Hollywood actresses Anne

Hathaway and Kristen Stewart getting theirs out on the red carpet.

And popsters Miley Cyrus and Jessica Simpson get in on the act too, giving boob fans a real eyeful.

So here we celebrate the **BREAST** of this sexy new craze, with the hottest photos of the year...

ANNE HATHAWAY

THIS amazing image of *Les Misérables* star Anne, 30, shows pretty much all the side boob you can get away with – without it technically being a “nipple slip”.

The brunette actress, who makes a VERY sexy Catwoman, bared her 34C breasts at *The Dark Knight Rises* Premiere recently.

Meow's about that, then?!

JESSICA JANE CLEMENT

I'M A Celebrity...Get Me Out Of Here! lovely Jessica Jane, 27, showed off her bouncy 34DD boobs in a skimpy white backless dress at *FHM's 100 Sexiest Women in the World* party. Juicy Jess didn't make the list – but she's certainly in OUR Top 10 boob flashers of 2012!

EVA MENDES

STUNNING actress Eva, 38, wanted to be a NUN when she was growing up.

But she blossomed in to a sexy, olive-skinned Hollywood goddess.

And here she is flashing her nipple on French TV – somehow, we doubt she'd have looked as good in a habit.

MARIA FOWLER

FORMER *TOWIE* star Maria is used to baring her 34C boobs in glamour shots for various lads' mags.

But here the brunette babe, 26, lets it all hang out at the launch of her fake tan range at the Clothes Show Live in Birmingham.

MILEY CYRUS

DESPERATE to shake off her teen queen image, Miley, 20, has been flashing her bits left, right and centre this year.

Here she brazenly shows off her side boob after going braless for a shopping trip in the US.

BROOKE VINCENT

CORRIE babe Brooke is looking good!

The 20-year-old showed off some side boob at the London premiere of *Magic Mike* in July.

But Brooke kept it classy in her summery pink frock.

BOOBY DAZZLER:
Jungle star Helen on a big night out

WHO'S HELPED MAKE 2012...

ABBEY CLANCY

IN possibly the most **AMAZING** nipple slip of the year, Abbey, 26, let it all hang out at a posh magazine party in London.

In a micro-mini with killer heels, Stoke City star Peter Crouch's missus, 26, gave lucky onlookers an eyeful of her pert 32C boobs.

KRISTEN STEWART

THE sour-faced *Twilight* star caused a stir at Cannes film festival in a hot red gown that left little to the imagination.

Kristen, 22, showed off her perfectly porcelain and pert 32A set - and must have added a little extra padding somewhere as her they were looking **SWELL**.

JESSICA SIMPSON

BLONDE babe Jessica's huge pair were falling out of her dress during a dinner date in LA.

The 32-year-old wore a white halter-neck dress that showed almost ALL of her delicious 34C knockers.

She's just an inch away from a nipple slip here!

NICOLE SCHERZINGER

THE super-sexy *X Factor* judge flashed her norks at the premiere of *Men In Black* in London.

Nicole, 34, looked stunning in a sleek red dress and killer black heels.

But she forgot to wear a bra and her 34C boobs were bared to all.

Rugby ace is 'so sorry' for hitting Santa

A TOP rugby league player has apologised to his club's fans for punching Father Christmas in the face.

Castleford Tigers full back Richard Owen (above) was handed a 12-month suspended sentence and 200 hours of unpaid work after punching a man dressed as Santa in a brawl, leaving him unconscious and with a broken jaw.

The 22-year-old was sentenced at Leeds Crown Court last month after pleading guilty to affray and causing actual bodily harm in the incident in Pontefract, West Yorks, last Christmas Day.

He has since also been the subject of internal disciplinary action from the Tigers. In a statement, Owen said: "I let my family, club and its wonderful supporters down."

"I am not proud of what happened and offer no excuses but just want you all to know how deeply sorry I am to every one of you."

Tigers chief executive Steve Ferris said: "Richie has apologised for his actions and Castleford Tigers will support him."

**Jesus! It's
Christ in my
bag of crisps**

STUNNED Stuart Frazer has Christmas in the bag after finding the image of Jesus – on a CRISP.

Stuart, 34, was doing some shopping when he decided to take a break and tucked into a bag of salt and vinegar.

And he was halfway through the packet of Walkers when he pulled out a large crisp with a hole which Stuart claims looks like a crucifix.

The market research worker, who lives in Northampton, says the potato snack vision has changed his life.

He said: "I was having a terrible day. I used to hate Christmas, especially shopping. I sat down for a snack and I was really fed up.

"All of a sudden I pulled out this crisp with a crucifix snack in the middle of it. I'm now going to live my life as a better person."

Sicko stalker plagues Gary Lineker with used bogroll

By NEIL GOODWIN neil@sundaysport.co.uk

DISGUSTED footie legend Gary Lineker has called "FOUL!" after a crazed loon sent him shitty toilet paper.

The jug-eared *Match of the Day* presenter already has to put up with a fair amount of crap while sat next to miserable pundit Mark Lawrenson.

And now the BBC1 hero has told how he has being plagued by a bum gravy bandit.

Sickened former Spurs and England striker Gary, 52, said: "The most bizarre thing I've ever been given by a fan was loo roll – with poo on it.

Soiling

"Seriously, it ended up in my BBC mailbag. There was no explanation and it went on for years."

It's not the first time Gary has been caught up in a turd scandal. The host readily admits to once soiling his tight shorts during an England v Ireland match at the 1990 World Cup.

He recalled: "I wasn't very well,

I was poorly at half-time but carried on. I tried a tackle, I stretched and then I relaxed myself.

"I was very fortunate it rained that night and I could do something about it. It was messy, it just came out, it happened. How much detail do you want?"

"It was the opening game of the 1990 World Cup against the Republic of Ireland.

"You can see me rubbing the ground like a dog. It was the most horrendous experience of my life, but I tell you I never found so much space in a game as I did that night after that happened."

I'VE done three nights on *Redlight Central* this week and I've had a right good laugh.

At the weekend I put on my thigh-high leather PVC boots and they went down a storm. I also wore this skin-tight NUDE dress which was a real hit – everyone has been in a real festive mood and it has been great fun.

Make sure you keep checking my Twitter @linsey_dawn and I will let you know when I am back on!

MY WEIRWOLF IS ALWAYS A WINNER!

I WAS so proud to see my old friend David Weir on BBC's Sports Personality of the Year.

It was amazing to see him get such great recognition. Even the fact that David (left) was nominated for Sport's Personality of the Year is an fantastic achievement.

There were so many inspiring people at the awards and it was so nice to see so many talented paralympians being recognised for their amazing achievements.

David and I grew up together on the same council estate in Sutton in Surrey and I always wanted to see him do well.

People often joke that me and him are the biggest things to ever come out of there!

He has been called the Weirwolf because of his fighting spirit and I think that really sums him up – he is a really nice guy but when it comes to competing he unleashes his wild side!

Greatest

I know his whole family and they are just really nice down to earth people.

Seeing him on the telly made me realise he hasn't changed at all and he is still the same David I always knew.

He might not have won Sport's Personality of the Year but he's the winner as I'm concerned because he is the greatest wheelchair racer of all time.

I was also really moved by the woman who lost her legs in the 7/7 terrorist bombings in London – she was so brave and hasn't let her disability hold her back.

It just goes to show that you can do anything you put your mind to no matter what disability you have.

Curvy

And I thought Jessica Ennis looked hot in that red dress – and at least people are realising that Pippa Middleton's bum isn't all that.

Jessica has got a curvy booty and that's so much sexier.

Talking of sexy, David Beckham was looking pretty hot.

I know people were saying he was a bit awkward and couldn't read very well – but who cares whether he can read or not when he looks like that!

I CAN'T believe it is less than a week until Christmas – I am starting to panic about getting it all done.

Everything is starting to feel really festive and I am looking forward to a nice rest. But to keep you fellas from missing me, here's a Christmas pic to keep you going.

I am having my family over for Christmas dinner and I will be cooking turkey with all the trimmings – it's a great excuse to eat too much.

Being at home all cosy with my family just chilling out. I can't wait!

X FACTOR winner James Arthur (above) is making the most of his new fame with a string of different girls on his arm.

Fair play to him I say – he's young and single and he isn't hurting anyone so why shouldn't he go out and enjoy himself and have some fun?

When I saw a picture of him and top model Gemma Massey it made me giggle – he obviously isn't put off by her porn star past.

It's nice to see that people who work in the adult industry are accepted just like anyone else.

Some people look down their noses at people who do that kind of work but as far as I'm concerned if she's good enough for an *X Factor* winner she's good enough for anyone!

I am pleased James has gone to number one with his debut single – I always knew he would be a success.

My prediction is that we'll see big things from him next year.

And 2013 will be a really big year for Ella Henderson (below) as well.

Apparently she has got record companies queuing up and I hope she has some good people around her who will help her get the best deal.

She was always my favourite right from her very first audition and she'll go far.

Tougher gun laws can be only good result

WHEN I saw news of the shooting at the school in America I couldn't believe what I was watching.

It is just impossible to imagine what those poor families are going through.

Their babies have been taken away from them in the worst possible way and it is just heartbreaking.

I was so upset I had to switch the news off. If anything good is going to come out of this then the States need to toughen up on their gun laws.

That something as horrific as this has happened at all is bad enough but the thought that it could happen again is even worse.

MY football team QPR are really not doing well this season.

We are second from bottom and unless we can start winning then it will be the Championship for us next season.

Let's hope the New Year will bring us some good luck and we can start winning.

Footie ace cleared of club fight

A PREMIER League football star who punched a reveller in an early hours brawl outside a nightclub has been cleared of assault.

A court heard that Stoke City ace Ryan Shotton – the club's Young Player of The Year – punched his victim in self defence after a row outside the club on July 24.

The blow left Mark McDonald requiring 23 stitches to a head wound after he was floored by the 6ft 3in defender, who was seen on CCTV running away from the scene.

JPs at North Staffs Justice Centre were told Shotton, 24, lashed out at McDonald after he had himself been hit in the mouth by the victim in a different club earlier that night.

He was approached again while he walked to get a taxi by McDonald who had bragged: "Stay away from me, I own Stoke-on-Trent."

In court, Shotton said he punched McDonald because he feared he was going to attack again.

Chair of the bench agreed Shotton had acted in self defence.

PER-V&A:
Famous museum where Wheeler hid spy cameras

It's Chel-see plenty!

ACTRESS Chelsee Healey proved pink will certainly make the boys wink after flashing her incredible boobs in an extremely low cut dress.

The *Waterloo Road* star, 24, wore the brightly coloured frock for a night out with friends in Manchester's swanky Living Room.

An onlooker said: "I don't do girly stuff and fashion but I wouldn't mind if all the outfits were this low cut."

Chelsee is currently rehearsing for the *Strictly Come Dancing* Christmas special.

V&A pervert hid camera in toilet

By NEIL GOODWIN neil@sundaysport.co.uk

A SEX addict has admitted secretly filming visitors using the lavatory at one of the world's most famous museums.

Mike Wheeler, 54, installed a camera hidden in a coat hook in the disabled toilet at London's Victoria and Albert Museum to spy on unsuspecting men and women.

Wheeler, a respected academic who works as a senior paper conservator at the museum, was caught after recording equipment was examined and showed him fitting the camera.

The prosecutor told a court: "There was a lady who was using the toilet and she noticed a strange coat hook on the wall opposite the toilet."

"She told members of staff about this and they removed the item."

He added that a covert camera was found to be installed in the hook and footage on a memory card showed Wheeler installing the device.

Tackle

When he was told on August 10 that his office was going to be searched, Wheeler told officers that all they needed was the "jiffy bag under his desk" and the red cloth bag.

Searches revealed a number of other memory cards and USB disks. A similar recording device was also found in a smoke alarm.

"Female clothing wigs and make-up and various items for sexual purposes were also found," the court was told.

When interviewed by police, Wheeler made full admissions, stating:

COUNSELLING:
Wheeler sought help for addiction

"I suffer from a sexual addiction and I have taken steps to resolve the problem."

He has since sought counselling to tackle his addiction, Hammersmith Magistrates' heard.

Wheeler, who lives on a boat in Surrey Quays, east London, admitted one count of voyeurism by installing equipment and another count of voyeurism recording a private act.

He was granted bail ahead of sentence on January 14.

Emilia is hit for 'being on Game'

STUNNING *Game of Thrones* babe Emilia Clarke got **DECKED** by hooker during a furious bust-up.

The gorgeous actress – who plays dragon queen Daenerys Targaryen in the telly fantasy epic – was punched by the angry prostitute in a bar.

And the call-girl was convinced Emilia was trying to POACH her punters!

The 25-year-old actress revealed: "I was with a bunch of friends in Vietnam."

"We were walking out of this bar and there was this line of prostitutes waiting for us. One of them tried to hit me. One did punch me."

Emilia admitted she was nothing like her tough-girl character.

She added: "I tend to run away from those kind of situations – my character Dany would have been a lot more aggressive!"

Busty Brook is most fellas' festive fancy

BUSTY Kelly Brook has proved to be a real Christmas cracker.

Because lusty lads say their ideal holiday season would be a SEXMAS break with gorgeous Kelly!

Blokes admitted they would happily turn their backs on presents, booze and food to enjoy a festive frolics with the shapely pin-up.

Brook – who recently starred in *Keith Lemon: The Movie* – was the number one choice in a saucy survey compiled by holiday website UK-HolidayPlaces.

A spokesman said: "Most guys seem to dread the idea of spending quality time with their families at Christmas."

"Given the choice of family fun or a few nights away with a gorgeous celebrity, the celebrity won every time!"

Stunning singer Cheryl Cole came second in the Sexmas Break poll, which quizzed 2,537 people.

I'm A Celebrity babe Helen Flanagan was also hugely popular with lads – finishing third with singer Rihanna in fourth.

THE POISON TREE BABE TOPLESS

SWEDEN HONEY: Lovely MyAnna will keep under wraps in next roles

Star of ITV1 drama bares her boobs

THERE'S nothing toxic about *The Poison Tree* babe MyAnna Buring!

The Swedish lovely played the wife of a convicted murderer in the tense ITV1 drama, which ended on Monday.

But while MyAnna, 28, stayed clothed in the two-parter, she's bared 'em in the past!

By ISOBEL DICKINSON
izzy@sundaysport.co.uk

The blonde beauty stripped for a sizzling sex scene in 2010 flick *City Rats*, riding one lucky man to orgasmic completion.

The thesp, who shot to fame in 2006 horror movie *The Descent*, is to play a housemaid in the *Downton Abbey* Christmas Day special.

But the pert lovely says she's not a corset fan, preferring to let her boobs bounce free. Speaking

about her role in upcoming BBC1 drama *Ripper Street*, she moaned: "I had to wear a corset for five months and I had a definite love-hate affair going on with that. I just don't know why women put up with it."

BOOBS YOU DIDN'T SEE ON THE BOX THIS WEEK

In *The Poison Tree* MyAnna played Karen Clark, whose husband Rex (Matthew Goode) had just been released from prison.

They began a new life but struggled to hide Rex's past from their new neighbours.

NICE CITIES: MyAnna bares hers in 2010 movie

Ricky's ready for key role in Muppet movie

RICKY GERVAIS has landed the leading role in the next Muppets movie.

The award-winning comic will take over from Hollywood actor Jason Segel in *The Muppets 2*.

The outrageous funnyman, who made his name as David Brent in *The Office*, will appear alongside Kermit, Miss Piggy and Fozzie Bear in the new adventure, which includes scenes in London and Europe.

Last night, an insider revealed: "Ricky's casting is a huge surprise."

He's not exactly known for being the sweet, sentimental type. The new movie will be a bit more edgy."

Gervais is a long-time fan of *The Muppets*, a show that was the brainchild of Jim Henson.

And the Reading-born TV star, 51, actually made a cameo appearance in the recent smash-hit movie but his scenes ended up on the cutting room floor. The film went on to gross £98million worldwide.

Cops hunt town centre sex pest

A SEX pest who exposed himself to a young woman as she walked through revellers celebrating the festive season is being hunted by police.

The creep showed his manhood to his victim, in her early 20s, and grabbed at her leg.

As she called for help, her attacker fled, and a full-scale police search of the area was quickly carried out in a failed bid to find the pervert.

The woman was shaken up but not physically hurt after the incident in Woking, Surrey, at 2.50am on Saturday.

Cops are appealing to party-goers for clues to track the wanted man.

He is described as white, in his mid-30s, and around 5ft 10in with spiky hair. He was dressed in a dark blazer and trousers, and spoke with a foreign accent, possibly Eastern European.

NAZI NURSE GOOSE STEP ON WARD

INFAMOUS:
Hitler's
moustache

**A NURSE who performed a Basil Fawty-
style goose step in front of a horrified
Jewish colleague has been struck off.**

Stephen Johnson put a finger under his nose
to mimic a Hitler moustache as he did a Nazi
march around a care home – just like John
Cleese in the comedy classic *Fawlty Towers*.

One patient WEPT at the sight of Johnson's sick
act – but he found it hilarious.

Johnson gave a Hitler salute to Polish and Jewish
staff at the Severalls House care home in
Colchester, Essex.

His antics came to
light when he was
probed for sexually
harassing a female care
assistant and trying to
grope a male colleague.

He sent the woman a
lewd picture from his
phone, bombarded her
with texts and tried to
kiss her at a pub.

A male care assistant
reported him to cops for
grabbing his genitals at
work while he was being
pinned to the floor.

Johnson was found
guilty of eight allegations
relating to inappropriate
conduct while working
as deputy ward manager.
He denied the charges,
accusing colleagues of

conspiring against him.

NMC Panel Chair
James Spencer said:
"The panel heard that
Patient C, an in-patient
at the home, as part of
his condition, would say
he was Adolf Hitler
and he would walk
around doing the Nazi
salute."

"Johnson found this
funny and to get him to
do it he would also
march around doing the
Nazi salute and putting
his finger on his lip to
demonstrate a Hitler
moustache."

HERE'S your chance to get your mits on the greatest sex films trilogy ever made...for a fraction of the normal price!

Island Fever was the ground-breaking hard-core porn film that rewrote the rules in terms of both content and budget.

The world's leading adult stars were taken to the paradise islands of Hawaii, then shagged daft in pin-sharp HD for our viewing pleasure!

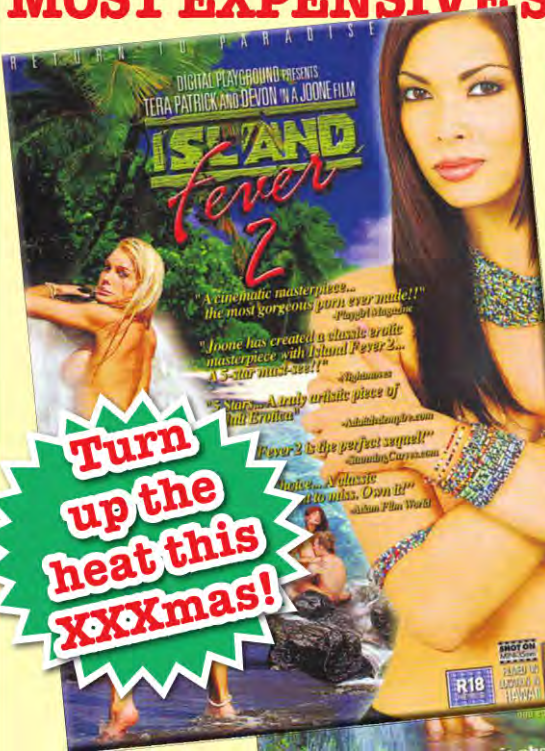

This no-expense-spared extravaganza became the must-have DVD and copies changed hands at prices many times their face value.

The two follow-ups didn't disappoint and, if anything, pushed the envelope even further. This time the juices were flowing on tropical Tahiti and Bora Bora bore witness to bum tricks as even more red-hot babes dropped their panties and their inhibitions to bring us a tropical feast of f***ing and sucking.

The greatest cinematic trilogy since *The Godfather* would normally cost you £25 each but today, in conjunction with *Private Shops* we can offer you one for £15 or all three for just £25.

Remember, this is hardcore pornography and not available on the internet or by mail order. The only way you can get yours at this amazing price is to get yourself along to one of the licensed sex shop on this page.

We've negotiated this unbeatable price as a thank-you to all our loyal readers.

He is known as the Spielberg of Sp*** and when he calls, the leading adult actresses come running!

Topping the bill here is superstar Tera Patrick but she's ably supported by top-drawer movie shaggers Julia Ann and Briana Banks.

And of course, you can't have proper shagging without some good hard c**ks and *Island Fever* has some of the biggest and best in the business. After all, what man is going to refuse a month in a tropical paradise bonking some of the most beautiful women in the world?

Chopper crash Ross feared for life with crocs!

HARDMAN Ross Kemp quivered in fear when he was stranded in the lair of a CANNIBAL!

The *On Gangs* star, 48, was caught out when his helicopter crash-landed into a crocodile-infested swamp while filming in Kenya.

Former *EastEnders* star Ross said: "We were trying to find a lost tribe. They were eating people up until 1980."

"The director told me, 'Can you see if the tail rotor's going round?' The helicopter started oscillating and I looked down and all I could see were crocs and snakes."

"That was a very long half-hour waiting to be rescued."

But despite the dangers surrounding his work, Ross reckons he's still not "brave".

He said: "There is nothing brave about it. I never think about the fact that I'm putting my life on the line."

"It's not like I go out there without thinking about it – it is all calculated risks. I do like my life and I do have a family to look after."

HARRY UP AND BONK ME!

Top MILF porn star Tanya Tate's plea to 1D star

By NEIL GOODWIN

neil@sundaysport.co.uk

CHART crooner Harry Styles is mulling over an X-rated proposal from Britain's sexiest MILF porn star.

One Direction hunk Harry, 18, is a big fan of older women, having dated a string of beauties almost TWICE his age including *Xtra Factor* host Caroline Flack, 33.

And now the floppy-haired Lothario is braced for his most outrageous bunk-up yet – after being courted by 34E bongo babe Tanya Tate!

Liverpudlian Tanya, 33, rocked up at Harry's swanky £3million home in north London yesterday.

She popped a message through his door saying: "If you want to bed an older lady who can really teach you a thing or two, give me a call."

Tongue

The award-winning MILF, who specialises in "cougar" blue movies, is waiting for her phone to ring.

And she's even offered to treat Harry and his new US singer girlfriend Taylor Swift, 22, to a THREESOME!

Blonde Tanya told us: "There's something about Harry that makes me think he'd be dynamite in bed."

"To attract so many older women he must have big willy – or he's good with his tongue."

"If he's worried about cheating on Taylor, he needn't. I'm really into girls and Taylor is cute."

Top-heavy Tanya – star

of such movies as *Dirty Moms*, *Horny Older Women* and *I Came In Your Mom 3* – says if Harry can't get to her she can send him her FANNY instead.

The babe explained: "There's something called a Fleshlight which is a fake vagina modelled on my own intimate parts."

"I'm sending Harry one so he can feel what it's like to be with me."

THREES ARE GOOD: Tanya posts her message (below) offering Harry and Taylor a fun time together

OLDER AND BOLDER: Tanya's won awards for her MILF-tastic movie roles

Date: 10/12/2012

Dear Harry

I have been a fan of yours and I hear you are into MILFs, so I hope you are a fan of mine. Please take a look at my website www.TanyaTate.com, which I hope you will like. Maybe we could make a movie together?

Please give me a call anytime on

A night of passion makes lovers' day

COUPLES are 13 times more likely to have sex at night than during the day, according to research.

The 300 couples polled, aged 18 to 51, were asked when they slept, woke up and had sex over three consecutive weeks and revealed it is more about convenience than sexual desire.

The most popular times for bonking were night with 65 percent getting jiggy with it after dark.

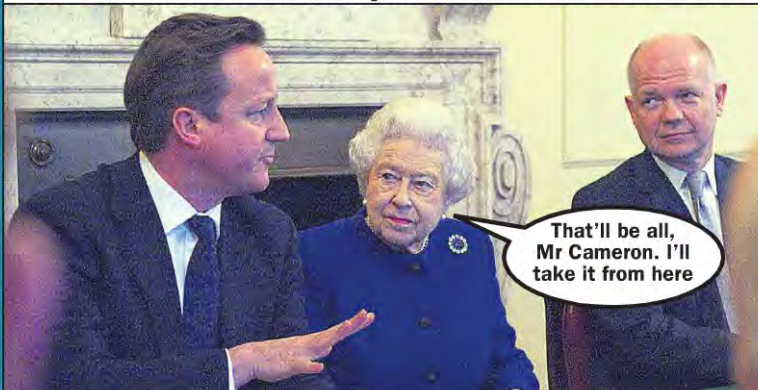

The research, by online sex toy seller Lovehoney, found that just 20% of lovers romped in the morning, followed by 10% in the evening and just 5% in the afternoon.

And 28% of those polled said the timing was determined by when they were most sexual.

While 33% said they had sex at any given time because it was the best available – due to work and family commitments.

CONFUSION DURING QUEEN'S CABINET VISIT

That'll be all, Mr Cameron. I'll take it from here

ANGELA MERKEL WINS TOMMY COOPER IMPRESSION CONTEST

● **ITV1's** entertaining *Take Me Out* Christmas special was all for charity. I don't mean they raised money for good causes but that the celebrity men made some very "charitable" choices.

Ex-EastEnders Joe Swash plumped for Lois, the chubby boat captain with a voice like the QE2's fog horn.

This Morning reporter Matt Johnson picked a ginormous unit called Natalie, who said she was a burlesque dancer. I think she meant "burly".

And Keith Lemon, the real star of the show, chose Piri because "she reminds me of a Nandos meal".

Really? She reminds me of several Nandos meals.

CHANNEL 4 showed footage of a radio DJ throwing a spit roast party this week.

Thankfully it was not a documentary about Radio 1 in the 1970s but merely the *Come Dine With Me* celebrity Christmas special.

Well, I say "celebrity" but this was barrel-scraping, even by usual standards.

The bloke who sang *Stop The Cavalry*, her from Boney M and a "top ten recording artist and model" called VV Brown

The critic who leaves TV bosses quaking

Batchelor ON THE BOX

(more like v.v. desperate). Oh yes, and Heart FM's Toby Anstis (right), whose spit roast was limited to a free range turkey.

To be fair, Anstis is not a guy you would suspect of preying women.

He even had a queen hiding upstairs during his party. By which I mean a lookalike of Elizabeth II, obviously.

Star of the show was probably Jona Lewie, who remains a pacifist three decades after *Stop The Cavalry* was released. He

is so anti-weapons he did not even know how to fire a party popper.

The obligatory dunce role was filled by self-centred VV, who told Boney M's Maizie Williams that she wished she'd been around in the 1970s as well, writing "political songs".

Well, most experts agree that the final nail in the 1979 Callaghan government's coffin were those damning Boney M lyrics: "Daddy, daddy cool. Daddy, daddy cool."

● **EASTENDERS** landlord Alfie threw a German-themed night at the Queen Vic – and his frauleins got into the spirit, with Big Mo and Kat dressing up as Teutonic serving wenches.

"I've always fancied myself as a Barvarian," said Mo. Well, I'm glad someone has.

Seeing her in that outfit made me think "lederhosen". As in: "I want to lederhosen to the car from the exhaust pipe."

Kat, on the other hand, looked like a Reich stunner in her low cut blouse. I would definitely fancy a game of "Heidi Sausage" with her in that get-up.

"We should grab hold of what we have got and never let go," she told Alfie. For once, I could not agree more.

CORONATION STREET's Tyrone did not crack open the fizz for his 30th birthday – but he did open Fizz's crack.

They were having a good snog when his brutal missus Kirsty came home. So, one way or another, he was always going to end up with a sore head.

Meanwhile Kirkie had to dump his turkeys, ditching them in the canal when he realised they might be stolen.

Well, Greater Manchester Police are quite stringent on suspicious festive produce. I heard they once charged a baker at the city's German market with handling stolen goods.

● **LORD Sugar** was looking for entrepreneurial spirit at a music festival on BBC1's *Young Apprentice*. I can show him loads of that. Just introduce him to the gangs of scallies who charge a tenner to bunk you over the fence at Glastonbury.

Olympic marathon we didn't need!

THE most underrated show of this year was BBC3 sitcom *Him and Her*, which finished the series with a botched marriage proposal by Steve.

"Of course I will, you silly prick!" came Becky's sweet reply. Young love, eh?

My only complaint about this show is that it should come with a written disclaimer – useless lumps like Steve do not pull women like Sarah Solemani in real life.

BLIMEY, that BBC Sports Personality of the Year was a bit of a marathon.

I mean, yeah, we had a good year, but seriously...THREE HOURS?! There were footballers in the audience who have had marriages shorter than that.

Three hours of montages and clapping and speeches about teamwork and clapping and Emily chuffing Sande and clapping and prissy little gags from Auntie Sue Barker and St Clare of Balding and then more f***ing clapping.

And, Jesus, the poems! Let's not even mention the poems.

If they do fancy trimming it down next year, I have a few tips which may help.

Firstly, ditch the big helicopter opener. I know Clare doesn't get to sit on a chopper very often but this kind of *X Factor* posing is pointless.

Secondly, the trophy does not really need its own special entrance, complete with military escort.

It is a bit of tin on a formica plinth, not the bleedin' Ark of the Covenant.

Thirdly, what's with Gary Lineker showing off his Spanish? Yes Gary, very clever, go to the top of the class.

But if Sergio Aguero cannot be arsed to learn English, then I cannot be arsed listening to him. Besides, of all the hosts, I think we know Balding is the cunning linguist.

Fourthly, whose idea was it to give the Duchess of Cambridge a minute-long standing ovation? Or did I miss

the Olympic gold she won for Nicest Hair?

But most of all – and this is a big time-saver right here – how about NOT asking all the nominated athletes to repeat (nervously and at length) what they had just said in their carefully edited videos.

We had sailor Ben Ainslie talking on-screen about his famous "Don't make me angry" comment.

Then, up on stage, Gary asked him to talk about the "Don't make me angry comment".

We had Andy Murray talking about the pressure he felt to win a Grand Slam for Britain, only for Sue to immediately ask him about... whether he felt any pressure to win a Grand Slam.

This pattern was repeated for 11 of the 12 nominees (golfer Rory McIlroy could not be arsed to make an appearance – and who can blame him?).

Don't get me wrong, there were some lovely moments.

Wiggo's winning speech was great. Paralympians Ellie Simmonds and David Weir were seriously inspiring – and Jessica Ennis' arse in that red frock (left) deserved a lifetime achievement award all to itself.

But if this kind of annual television endurance test is the price of success, then let's hope normal service is resumed in 2013 – and we start losing at everything again.

CHANNEL 4 documentary *Bad Santas* was a grotto – sorry, a grotty – piece of television.

Under the pretence of "turning lives around" (but really to laugh at poor people), they scoured dole queues for a few desperate sods willing to work for a Santa lookalike agency.

To spice things up they deliberately chose a few who would never make it, including a violent ex-squaddie and a leathery tramp called Johnny Sausage (above) with a big heart but – due to chronic alcoholism – an even bigger liver.

Watching them build up Johnny's confidence, only to knock him down at the final hurdle, was sickening.

No presents for the boys and girls at Channel 4 this year.

Midweek tweet hearts

THE WORLD would be a dark place without the internet. Just imagine no Gangnam Style, cats in hats or Fantasy Football to keep you going.

But what we're really thankful for is the photo-sharing trend of FIT girls happy to pose in their skimpy for the world to see!

This week we've uncovered a glorious selection of hot celebrity babes who've posted their sauciest snaps to social networking site Twitter.

Curvy reality TV babe Kim Kardashian boosted her 36D cleavage for this candid snap in a low-cut tank top.

Brunette stunna Lacey Banghard - an astonishing 26G - popped out of her flowery bra for this picture-perfect shot.

Jungle babe Helen Flanagan, 32E, didn't disappoint her fans when she posed on her way to a club in this tight-fitting frock.

Aussie supermodel Miranda Kerr showed her 34B chest when she uploaded this stunning bikini shot to her followers.

And gorgeous Eliza Doolittle, 32D, got leggy with this sexy snap in an all-in-one bodysuit.

LIKE stupid moths to dangerous flames, Mrs Juzzy and I will no doubt find ourselves attending the new Tom Cruise flick, *Jack Reacher*.

God alone knows why. In novels, the Jack Reacher character is six foot five inches tall and weighs more than 200 pounds.

Whereas Cruise, erm, isn't and doesn't at all.

It's like asking me to star in a biopic about Arnold Schwarzenegger.

I could probably get away with playing his mop.

I SEE Her Majesty Queen Elizabeth rocked up at a meeting of the Cabinet on Tuesday morning.

I would have loved to have eavesdropped on the conversations going on around the table.

Just imagine her turning to Deputy Prime Minister Nick Clegg.

"And what do you do....?"

Scrawny, flat chest, bad teeth ...but she'd get it

IF there's anyone out there who can explain the phenomenon of Kate Moss, do get in touch so I can tell you to f*** right off.

Because in the world of super-modelling, she sticks out like a sore thumb.

Her teeth are like the proverbial council estate wall that's just been smashed into by a stolen Vauxhall Vectra.

She's got cellulite on her thighs, no tits, smokes like a chimney and permanently looks like she's just been dragged through a hedge backwards.

Despite appearing as though she's been on smack for the last twenty years, the scrawny wretch nevertheless has a bit of a belly on her, too.

Yet what can only be encrased members of the modelling set insist on telling us that she's the most fabulous thing ever to walk on this fine earth.

You do have to wonder if the male members of the fashion world have been blinded by too much spunk in their eyes.

F***'s sake, she even makes my missus look attractive – and that's a feat in itself.

Kate's only saving grace is that she does

have "that" look that suggests muckiness aplenty.

So yes, I reckon Kate Moss is a bit of a dog – but she'd still get the brown finger treatment.

Meet all natural April and her 34EE boobs

BUSTY April Summers is enough to warm up anyone's cockles this winter!

The self-confessed "posh totty" is proud of her huge 32EE boobs, declaring, "They're a handful. I love them because they're all natural and they're huge!"

The kinky blonde babe loves to dress up for sexy nights in, saying: "I love a romantic night in and I'll dress up in nothing but black stockings and high heels."

Posh

And she's equally happy flashing the flesh on a night out, saying she loves to wear hotpants and a tight tank top with heels, or "sexy tight jeans and a really tight top".

April admits that she has "a really posh voice" and can't stand a common chat-up line. She said: "The worst ever was, 'All-right princess, can I

"This is just too cheesy and common and really has no substance to it what so ever!"

"I would prefer someone who has a slightly broader imagination than having to use something they have used a hundred times over."

But the 26-year-old says she loves a shy guy, adding: "If a guy approaches me in a soft and genuine manner and is quick witted he will most likely grab my attention."

"I really like guys who are gentle and consider a woman's feelings at all times, so no bad boys for me please!"

April, from Camden, London, says she is "feisty" and loves strong women – admitting she has a girly crush on sexy Angelina Jolie.

She said: "She's a strong woman who knows how to hold her own."

SAM FOX

IT'S hard to believe that Samantha Fox quit peeling off for the cameras a staggering 26 YEARS ago – yet still she remains THE iconic glamour girl of all time.

Sexy Sam's legend was born when her mum Carole sent a picture of her voluptuous teenage daughter posing in revealing lingerie to a Sunday newspaper competition in 1983.

Three years later she stunned the world of topless modelling and announced her bra was going back on for good – at the grand old age of TWENTY.

But in those all-important intervening years the blonde Cockney sparrow had also branched out into softcore NAKED photoshoots, too!

Sam, now 46, was born in 1966 in Mile End, London, to market trading parents John and Carole, who would later divorce.

As a youngster she dreamed of a

career in theatre or music but that was put on hold when she was catapulted to fame by her amazing 36C boobs!

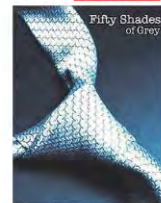

After quitting the modelling scene in 1986, Sam instantly launched her first single – *Touch Me (I Want To Feel Your Body)*, which made the top ten on both sides of the Atlantic.

She went on to release two more singles that year, *Do Ya Do Ya (Wanna Please Me)* and *Hold On Tight*.

While not a huge music star in the UK, Sam's *Touch Me* went to number one in 17 countries and to date she's sold over a whopping 30 million albums worldwide.

To the joy of millions, Sam's best assets did eventually reappear in all their naked glory – first in 1995 to celebrate 25 years of Page 3, and a year later for Playboy magazine.

In 2003, Sam announced she was in love with another woman, her manager Myra Stratton.

Fifty Shades author slams 'porno' label

FUMING *Fifty Shades Of Grey* author Erika Mitchell has slammed people who label her best seller as Mummy Porn.

The 48-year-old scribe – better known as E L James – says that while her tome is full of BONKING it is definitely NOT grot. She moaned: "Take the phrase Mummy Porn. It's one of the most misogynist things I've ever heard in my life. It's just derogatory!"

"How dare they?! It's just a book, for God's sake – a love story in which people have sex."

"And they do DO that, I seem to remember."

Erika shouldn't grumble too much – her *Fifty Shades* series of books has netted her £20million in just 18 months.

Needled by Xmas tree CCTV theft

FORESTRY workers were left stunned after the hidden cameras they put up to catch Christmas tree thieves were **STOLEN**.

The Forestry Commission fitted CCTV to a festive fir after several 7ft Norway Spruces vanished from a plantation in Hamsterley Forest, Co Durham.

But four days later the tree it was attached to had disappeared.

Another £250 camera was set up but vanished, along with six other trees worth £30 each over the past fortnight.

Richard Darn from the Forestry Commission said the cameras will have recorded images of their thieves but the data was stored on their internal memory.

Mr Darn added: "We are now investing in equipment that will download recordings to another computer. "Chopping down trees is not a good idea – there are serious safety concerns."

PC Stewart Baker from Bishop Auckland said: "We believe the thieves targeted the trees where the cameras were hidden."

MIDWEEK MAYHEM!

THE BEST OF THE MAD SH*T ON THE WEB!

Welcome to **Midweek Mayhem!** Every week we'll bring you the MADDEST, RUDEST, WEIRDEST, most bat-sh*t BONKERS pics from the wonderful world of the internet!

Young Brits are all soft, says Sir Ran

TOUGH-NUT adventurer Sir Ranulph Fiennes has laid into modern man, labelling them all **FANNIES**.

The Brit explorer recently set off on a 2,000 mile walk to the South Pole and barely flinched when he SAWED his own frostbitten fingers off following a trip to the North Pole in 2000.

But Sir Ranulph, 68, says today's blokes are all a load of soft sh*ttes.

He moaned: "If I mourn anything about the British way of life, it's the way youngsters think nothing of binge-drinking and spewing all over the streets."

"Appalling. That and young men crying at the drop of a hat on *The X Factor*. Terrible."

Before setting off on his latest epic journey Sir Ranulph (above) admitted he was "apprehensive" about doing the first ever trek on foot across the Antarctic in winter.

With temperatures plunging as low as -92C, he said he and his team were facing "unpredictable" risks including the possibility of **LUNGS** bursting.

"I'm sorry you saw me, Timmy. Now I'll have to kill you."

TIP

No prison for man horny for hounds

SEX-STARVED Craig Naylor escaped jail for trying to hump a **DOG**.

The perv, 47, claimed he wanted to hump a hound because he hadn't had sex with his wife for a year.

He used the internet to hook up with dog owners willing to offer their pets to perform sexual acts with him.

But he was nicked after agreeing to meet an undercover cop who was investigating the ad.

Two computers and a mobile phone containing evidence were also seized at his home in Arizona.

Sheriff Joe Arpaio said: "It took a little negotiation and several conversations but we finally got him to meet with us."

"It was sickly what this man was trying to do."

Naylor pleaded guilty to conspiring to commit bestiality and was put on probation for 18 months.

HEAD THE BALLS FOOTIE'S LOONIEST CHARACTERS

ROBBIE FOWLER

MODERN-DAY football is packed with prima-donnas and monotone media-trained bores and – for some – it's lacking a bit of character.

So in *Head The Balls* we remind you of the violent nutters, randy rebels and peacocking playboys who graced the game and made football worth following.

Each week, we'll be putting one of soccer's most mental mavericks under the microscope.

And today we remember Robbie Fowler's heyday – a natural goalscorer who scored for fun for Liverpool but was never very far from controversy.

ON THE SNIFF: Fowler had a nose for goal and for bad press while he was at Liverpool

By GARETH ROBERTS
gareth@sundaysport.co.uk

ROBBIE FOWLER was 'God' to Liverpool fans – but he always had a bit of the Devil in him.

The Toxteth Terror's heavenly nickname was the result of 183 goals in 369 games in two spells wearing the Liverpool red.

But while he will always be fondly remembered for his goals on Merseyside, the rest of the country is more likely to recall a string of madcap antics.

From mooning at fans to his infamous line-sniffing in the Merseyside derby, Fowler did plenty to prove the theory that there's a fine line between genius and madness.

Football first woke up to Fowler's talent in a Coca Cola Cup match in 1993 when, as an 18-year-old, he fired all five goals as Liverpool trounced Fulham 5-0 at Anfield.

He famously celebrated with his usual from the chippy – special fried rice with barbecue sauce, and a can of Irn Bru.

Fowler proved his five-star show was no fluke as he went on to score 13 goals in his first 15 games for Liverpool.

Record

And the boyhood Evertonian's goalscoring exploits continued the following season, with Fowler notching a hat-trick against Arsenal in only four minutes and 32 seconds – a Premier League record that still stands.

A League Cup winners' medal and Young Player of the Year award followed after a 31-goal season but the next campaign hinted at a looper side to Fowler's make up.

Now sporting a peroxide blonde hairdo, Fowler – who had a reputation for pranks – awoke on a plane from a European trip to find his shoes full of PISS.

His team-mates wrongly fingered pie-arsed Cockney wideboy Neil Ruddock as the prankster but, in fact, it was Steve Harkness.

Fowler took revenge by cutting up a £300 pair of Gucci boots belonging to the bulky Londoner that resulted in the Scouser getting a punch in the nose from Ruddock.

After also being sent off during an England Under-21 game in Austria, rapped by the FA for baring his backside to Leicester fans and being part of a group of England Under-21s that damaged a hotel room, Fowler was fast forging a bad-boy reputation.

The 95-96 season was most notable for the white suits donned by the Liverpool team in the FA Cup final – a fashion disaster that earned Fowler and his team-mates the tag of "The Spice Boys". And Fowler hit the headlines again in 1997

when he tried to persuade a ref NOT to give him a penalty.

The goal ace tumbled when Arsenal's David Seaman raced off his line to challenge him.

He then amazingly pleaded with Gerald Ashby not to award the spot kick, claiming the keeper had not touched him.

Seaman saved Fowler's pen but Jason McAteer rammed in the rebound and Fowler ended up winning Uefa's Fair Play award for his honesty.

But Fowler admitted he did not miss on purpose. He said: "As a goalscorer it's part of my job to take it and I wanted to score it. I tried to score."

Days later, Fowler was carpeted by UEFA and fined £900 for revealing a t-shirt at a game supporting the Liverpool dockers' strike.

Madness

But it was in 1999 that Fowler's most infamous bad behaviour surfaced when a double-whammy of on-field madness saw him hit with a six-match ban and a heavy fine.

First, the 23-year-old, who later played for Leeds and Man City, clashed with Chelsea's Graeme Le Saux.

After being on the end of a series of elbows from Le Saux, Fowler infamously pointed his BUM at him and, according to the defender's autobiography, said "Come and give me one up the arse."

Just two months later, after taunts of "smackhead" rained down at him from Everton fans in a Merseyside derby, Fowler celebrated his goal by bending down in front of the away end and pretending to hoover up the goal-line *Scarface* style.

Speaking about the incident years later, Fowler, who is the fourth all-time top scorer in the Premier League, said: "Look, I'm no f***ing saint, I've pulled plenty of stunts in my time, and I've not always behaved in the right way. But just because I'm from Toxteth doesn't mean I have to be a druggie."

Real girls getting 'em out

Josie, 22 from Belfast

I was taking my top off when my boyfriend took this on his phone...he really took me by surprise to be honest and, at first, I asked him to delete but then, I thought, hmmm, my boobs look pretty good! What do you think?

The girls who get 'em out are the genuine partners of Sport readers and have no connection to any of the adverts that appear on these pages. If you want to be a star without a bra send your picture to realgirls@sundaysport.co.uk and we'll get back to you

DO YOU LIKE MORNING SEX?

I do when I've had an early night and am feeling refreshed, but I'm more of a night owl and prefer to wait until late at night. You can build up the excitement throughout the day, so that when you finally get to bed, you're really horny!

WHAT'S YOUR FAVOURITE POSITION?

I like to vary the positions so that sex doesn't become too routine, but my favourite has to be girl-on-top. I like to be in control in the bedroom, I'm very naughty!

REALLY? TELL US MORE

Well, I like to be dominant in the bedroom. I'm like a female Christian Grey from that filthy book, *50 Shades of Grey*! I like to put on some kinky, thigh-high, PVC boots with a leather basque – no knickers – and tie the guy up. Then I'll cover his eyes with one of his work ties and tease him mercilessly until he's literally begging me for it. Then I'll give him everything I've got. It feels wonderful – I love having all that power.

HAVE YOU EVER DONE IT IN ANY UNUSUAL PLACES?

In a car at the side of a busy road was probably the riskiest. I was driving home with my boyfriend and we both got really frisky. So he pulled over and I jumped on

top of his gearstick! I'm not sure if anyone saw.

WHAT'S YOUR IDEAL NIGHT OF PASSION?

I'm a romantic at heart, so while I love wild, passionate sex, it would be in a really romantic setting. Maybe start with a sensual massage in front of an open fire, and then one thing would lead to another on the rug.

WHAT ARE YOUR BLOWJOB SECRETS?

No sex session is complete without oral foreplay. It really excites the bloke, but it's also a big turn-on for the women. And if they want to return the favour I'm not going to complain!

DO YOU HAVE ANY SEX TOYS?

My Rabbit is my favourite. If I'm on my own then it helps to while away the evening! But I also like using it with my fella – it can really spice things up. Otherwise we might do a bit of role-playing. I love dressing up in my policewoman or French maid's outfits.

HAVE YOU EVER HAD ANY BAD EXPERIENCES?

He was so drunk once that he couldn't even get it up – what a disappointment. I think a few drinks can help you to relax, but too many and the sex ends up messy and embarrassing.

DOES SIZE MATTER?

No, I really don't think it does. Just because a man has a small cock doesn't mean

he's not going to be good in bed, and vice versa. It all depends on what you do with it. Although saying that, there could be a problem if it's miniscule!

EVER HAD GIRL-GIRL SEX?

I've never had full-on sex with a girl, but I did mess around with a friend once. It started with some harmless snogging in a club, but when we got home we both felt a bit horny, so had a bit of a fumble. I really enjoyed it and I love women with gorgeous bodies. It's something I might consider in the future.

HOW ABOUT A THREESOME?

It's a possibility. It just depends on who I'm with and if he's up for it. I'd only do it with another girl.

DO YOU LIKE A BIT OF SELF-LOVE?

Of course, I love it. It's all good stuff. In fact I do it as often as I can – sometimes even on the train!

ARE YOU A FAN OF WATCHING PORN?

I don't make a habit of watching porn. I don't need it because I have a great sex life, so I am more than satisfied. I will occasionally put one on though. Just normal porn – not animals or any weird things like that!

DO YOU MASTURBATE IN FRONT

THE LOWDOWN

BEST BONK?

With my boss when I was working part-time in a restaurant. We did it over one of the tables when everyone had gone home!

BIGGEST KINK?

Whips and chains and me completely in control of whoever is on the receiving end! I love the power trip!

WHAT'S YOUR FAVOURITE SEXY OUTFIT?

Dirty French maid or slutty policewoman.

FAVOURITE BODY PART?

Definitely my huge 34DD boobs – and my tousled blonde hair.

FOREPLAY OR SEX?

Foreplay – I love to tease but I always finish the job too.

control in

OF ANY FELLAS YOU ARE WITH?
Of course. It's fun. And the guys love it. I'm not shy!

SO YOU'RE QUITE A HORNY LASS THEN?
Definitely. Sex is on my brain pretty much all of the time. And when I've had a few drinks, well, all I can say is, I'm wild! The drink just makes me even more horny, like, to the point where I just want to burst. I love feeling horny because it makes the sex even better!

Arse op pair face jail over bum bodes

A COUPLE who injected dodgy chemicals into BUMS are facing jail after illegally giving women "Toxic Tushes".

Bogus doctor Samela Hernandez (*above*), 53, and her husband Pedro were arrested after one patient was left with a "deformed and highly sensitive" bottom.

Police raided their home and found syringes with the anaesthetic Lidocaine and an illegal solution which had been bottled as "massage wax" that had been injected into clients.

One victim told cops that the woman, posing as a nurse, left her with gaps in her bum cheeks where she had been injected.

She went back to the couple's home in Hialeah, Florida, and they administered more solution into her bum.

The treatment left her permanently deformed and she learned the ingredients can cause cancer.

Bogus surgeons are becoming so common in America a national hotline has been set up so people can check out the clinics they visit.

Druggie mum on incest rap

A SICK couple were arrested for incest and child neglect after being caught smoking crystal meth in their car - with a baby in the back seat.

The pair, who apparently have the same mother but different fathers, were held after a concerned passer-by spotted them.

Police found the baby wearing just a T-shirt and a nappy in freezing temperatures, and the 22-year-old mother admitted drug-taking.

She told cops she had been smoking crystal meth every day for the last month and wasn't fit to look after her child, who has been taken into care.

The mum, along with her 35-year-old boyfriend, have been jailed in Everett, near Seattle, Washington State, for criminal mistreatment and endangering a child, along with investigation of incest.

AD OF THE WEEK

CALL GIRL PROFILE
Candi
from Brighton

I think I'm the perfect girlfriend for any guy. I don't want to sound big-headed but I know I'm funny, quite pretty and a good laugh.

I get on with both the girls and the lads. I've got a good job and my own flat and life is pretty sweet.

The only thing that it would make it perfect is a boyfriend...but until he comes along I'm just having fun.

There is one other thing, of course...the issue of the

thing between my legs!

It's no big issue for me; I was born with the body of a boy and now I'm on my way to becoming what I know I should be!

In the bedroom I can assure you that you'd not be disappointed! I might not have a vagina but I can still give you somewhere warm to put yours!

I'm looking for broad-minded straight guys who want to meet a special girl like me and maybe enjoy a bit more than a chat!

BRITAIN'S RUDEST AUTHOR VIKKI DARK GIVES US A SNEAK PREVIEW FROM HER LATEST WORK

'I PULLED MY DRESS UP TO MY NECK... SHOWING THEM MY ENTIRE NAKED BODY'

Lara - large breasted, bleached blonde, 26-year-old, tall and slender nymph have to confess.

Unburdening these secrets will do two things to me: firstly I will feel just that - unburdened.

Secondly, but by no means least, I will get hot and wet and might have to disappear midway through.

I go back to the day when, fresh from the morning after a heady dose of big cock well into the small hours, I thought it would be nice to venture down to a nearby quarry that contained a kidney-shaped fishing lake.

The sun was shining bright and when stepping out of my bright red front door it was so searingly warm that my skin tingled.

The guy I had been f***ing all night was called Scott and what an absolute discovery he was! We got lost in a world of deep, tight screwing and thinking back it makes my pussy start pulsating, as if eager for more rock-hard meat. As we pelted down the smooth, dry tarmac in my silver Mercedes convertible, I felt him staring at my body as I drove.

Boys are weird, like they're always on heat - it's like pussy is all they think about.

Breasts

Whenever I talk to a boy I have grown to know they just about hear what I'm saying verbally, too busy thinking what I can do orally.

I suppose my huge natural breasts don't help, and I must admit that I tend to enjoy wearing tight clothes that emphasise my slim busty frame and tight arse.

My legs are very long and tanned and I think Scott likes them as his eyes are fixed on the gap between them.

We pull up into the dried chalk car park and he places a cigarette in between his sexy full lips.

I watch him spark it up. The stubble around his mouth drives me wild as I again revisit the night before when he had his entire face buried between my pussy lips. He was fiercely tonguing my slit and licking into my hole, I could feel my nipples turning rock hard at the thought.

He salivated staring at my tits as I got out of the car in the bright sunshine

"Why do you wear such tiny

BRITAIN's rudest erotic author is in the middle of writing her second book - and she's given *Midweek Sport* readers an EXCLUSIVE preview.

Vikki Dark is the mystery author behind the hit novel *Disturbia* - which was one of 2012's biggest erotic literary hits.

But she took time out of her busy working schedule to give us an early peek at her forthcoming blockbuster, which is sure to stir passions in bedrooms up and down the land.

She said: "I hope everyone likes it!"

clothes Lara. What if people are around here?" he said.

I just laughed. I didn't care.

We walked down the slope, Scott's long, dark hair sticking to his body in the heat.

He is so sexy. I love a hairy man and don't get this shaving crap - I like my man to be a real man, and I love hair around a cock too.

Those porno guys make me sick with all their shaven bits. What really turns me on is a sexy, hairy fella with nice big arms and a bit of meat on him - someone who can throw me around. I hate pretty boys. I like to see stubble - then I know my pussy is going to be given extra stimulation!

We held hands as we strolled along the bank. I wore the same clothes I had on all night but I was squeaky clean - I had spent the morning in the bath playing with my pussy.

As I felt the aftershocks from the night before I needed to satisfy myself again and again, pressing hard against my clit.

Getting back to what I wore, it was a little gold and cream snakeskin-effect tight mini dress. It clung to my curves, my tits spilled out.

I wore no underwear and on my feet I had white stiletto knee-high boots which clung to my calves.

Horny

We hadn't seen anyone around as we just enjoyed the sun together, occasionally glancing at each other, getting horny in secret.

Suddenly I heard people laughing and further along the bank I clocked two green bivvies' and six rods already set up.

Scott pulled my hand.

"Come on, Lara, let's go back," he said through grinding teeth, but I didn't want to go back - I came out to explore.

"Let's ask them for a ciggie," I replied, knowing that he

probably needed one. I pulled him along. He was reluctant.

"Pull your dress down a bit, you can see everything," he stormed.

Looking ahead I could see there were at least ten young blokes all aged about nineteen or twenty.

As we walked nearer they all stood up and emerged from their tents into the sunlight.

"For f***'s sake," Scott mumbled as they whispered between themselves, seemingly expressing their joy at the sight of a tarty looking bird suddenly appearing like a strange mirage.

"Have you got a cigarette, please?" I asked, grinning knowingly, displaying my white teeth against my full pink glossy lips.

Nipples

It felt like all their eyes were stripping me at that moment. My nipples stuck out like chapel hatpegs.

"Yeah, yeah," one of them stumbled.

"Have you got a f***ing fag?" he stuttered to the others.

Most of them disappeared into the tents at that point to look for their fags, apart from a dark-haired boy who fiddled around uncomfortably in his pocket while staring very seriously at me.

"This is a f***ing joke - they haven't got one so let's go, I've got some in the car."

Scott pulled my arm, nearly dragging me back down the route to the car. But I couldn't walk away without something to take away with me.

"Oi, you lot," I shouted watching them scramble out from the tent, most of them without tops on. "Look at this."

I pulled up my dress up to my neck, showing them my entire naked body. My big tits bounced as I struggled to pull it over them. My pussy felt wet as I felt the outdoor air hit it hard.

"F***ing hell!" was said

more than a few times. As I turned my naked body around, I noticed Scott grinning and shaking his head.

I then made sure they all could see my naked butt while I stood up straight. I slapped it, making it wobble slightly.

I could tell the lads were the type who probably hadn't had too much luck with the girls, which was probably why they were all fishing instead of being laid by girlfriends.

Pulling my dress back down I briefly put a finger between my legs then sucked on it before blowing them a kiss goodbye.

As we walked back to the car I could hear them talking and giggling - I'll bet they couldn't wait to get home to relieve themselves!

I was pleased to have given them a thrill, and part of me had thought about giving them a lot more - ten hot young cocks would have been memorable, to say the least.

But I had a real man with me and I could see the sight of me showing off my body had reminded him of his carnal needs, too...and of the night before.

Backside

Back in the car the hot seat smarted on my bare backside and my attention was once again focussed on my nether regions.

It seems Scott's attentions were focussed there too as he reached across and plunged his hand between my legs, rubbed my at my swollen pussy lips and slipped his thick fingers inside me.

I still can't believe how quickly I came, or how many times I came as he plunged his fingers in and out and sucked on my nipples.

But he got his reward with a long, slow blow job - the best I've ever given.

Do you know what? I think I can still taste that day!

YOU can still get your hands on Vikki's first novel *Disturbia* from Amazon.co.uk for just £6.74.

Emma's Position of the Week!

THE STRAIGHT-LEG DOGGY

IT'S a bit tricky at first but once you get going it's amazing.

He feels really deep inside and you can grab hold of your hips to get a good rhythm going.

Plus I like it when my fella slaps my bum.

It's so horny which is why I love this position.

Dear Sophie...

A NEIGHBOUR told me about the "swingers" living up our road. She said they have naked orgies and that. I went met one down the pub and he invited me to join in at their next session. But I had to bring my wife. I knew she wouldn't go for it so I hired a hooker for the evening and went along. As soon as I got through the door one of the wives got my cock out and started to rub me off. She touched the tip with her tongue and I quickly ejaculated on her face. There was a full blown orgy going on. As well as the hooker, I f***ed the crap out of three of the fellas' wives. It was absolutely brilliant but now, somehow, the nosy neighbour who told me about it all has found out what happened...and she'll tell the wife. Help!

GB, Sheffield

Sophie says...

YOU'RE in a spot of bother. The best thing to do is tell your wife about the scene up the road and see how she reacts. If she seems interested get her up there!

Dear Sophie...

MY next-door neighbour gives me blow jobs!

She's 44, blonde, with huge tits. I'm 25 and have just moved to the area.

She took me right to the back of her throat and licked my balls before I spunked all over her tits.

The next time I saw her we did it while her husband, who is 64, watched.

It felt a bit weird doing her while he looked on but she loved it and she let me f*** her in every hole.

They now want to make it regular. Should I do it?

PS, Manchester

Sophie says...

ONLY if you feel OK about it.

TOILET SEX FLUSHES MY LOVER AWAY!

Dear Sophie...

I'M a 32-year-old bloke and I've been seeing a divorced mum for a while.

She lives in Scotland and I work in Essex and while we're apart I can't resist other pussy.

But she's made it clear that if I'm shagging other birds she will feel free to shag other blokes.

So, with that in mind, I was at the works do when this young bird came on to me. After a good few drinks and flirty talk she followed me into the bogs, and as I was taking a piss gripped my willy.

Once I'd finished she gave it a shake and took my bell end between her lips till I was swollen.

So that we couldn't be caught I took her into a cubicle, lifted her skirt and eased her panties down. As she spread her legs, I got down and nuzzled her clit, my tongue flicking up and down her moist slit.

Within minutes she was approaching a climax so she gripped my cock and guided it inside her.

Am I bad for sucking up to monster?

Dear Sophie...

I WENT on a blind date and as soon as I saw him my fanny went wet and we only had one drink before going back to my place.

He soon had my kit off and loved playing with my tits, and I was well turned-on and couldn't wait to get his dick out.

When I did I couldn't believe the size – it was huge, a good 10 inches.

First, I devoured it, sucking him off to the back of my throat. I must have swallowed two loads before I told him to f*** me in both holes.

It was a bit of a tight fit up the back passage but I soon got used to it and when he went in my fanny I had orgasm after orgasm.

I've seen him since and he's

confessed to having a girlfriend.

But I've told him he can do anything he wants with me and he seems to be happy with the arrangement.

Am I a slut?

TB, Lincs

Sophie says...

NO, you're just having a good time with a monster cock.

Dear Sophie...

I'M 28 and recently my husband walked out on me for another woman.

I was distraught but then a girlfriend fixed me up with a blind date.

We met in a pub and went back to my place for a coffee to end the evening.

I went into the kitchen and when I came back this fella was stark naked on the sofa with biggest erection I'd ever seen. I told him he was right out of order, after which I jumped aboard and I rode him to the most magnificent orgasm I'd ever had.

We've been seeing a lot of each other and I've been getting a lot of his length but now my husband wants to come back. What should I do?

CR, Middlesex

Dear Sophie...

MY wife wants a threesome with a girl she works with.

The wife and I are both in our mid-30s and this woman is 25 and divorced.

She and her ex were swingers and she's told my missus that's it's great. I'm not so sure I want to get involved but the wife seems keen and I wouldn't mind shagging her mate. In fact, she tossed me off at the wife's works do last Christmas.

But I've read reports of couples who split up after getting into swinging and I love my wife so much I'd hate this to break us up. Can you advise me?

TV, Notts

Sophie says...

NOT everyone who has a threesome or goes swinging ends up divorced so I'd give it a try...if you're up to servicing two women at a time!

Sophie says...

YOU could try a reconciliation but make sure you give him hell before even considering taking him back.

Unless your hubby measures up to the hunk's performance between the sheets, I'd tell him to f*** off again!

DEN: I DON'T LIKE PRACTICING BUT I REALLY HATE LOSING

DARTS – PDC WORLD CHAMPIONSHIP

DENNIS PRIESTLEY may be the senior player at the World Championship at 62, but he is still as competitive as ever.

The two-time world champion is now enjoying semi-retirement following a 20-year career at the top level, but managed to qualify for the Alexandra Palace event.

He says he's not really bothered about qualifying for events, but he has already reached one final, two semi-finals and three quarter-finals this year. "It's nice to get back into the World Championship but I've got mixed feelings," admits Priestley, who is out to shock Ronnie Baxter.

"It's probably more exciting for my family and friends."

"It might sound blasé, but I didn't really care whether I qualified."

"I missed last year but I'm at the stage now where I want to bow out."

Stupid

"Then I keep putting in blooming stupid performances that put it in my head that maybe I've still got a little bit of something."

"There's no pressure on me and I'm not really bothered about coming and playing before the tournament."

"But when I get on the dartboard the stupid competitiveness and will-to-win kicks in."

"I'm a fool to myself really – I don't like losing and that's probably why

OPPONENT: Ronnie Baxter

I'm back in the World Championship."

But "The Menace" says he now prefers his more sedate lifestyle.

"I don't have as much enthusiasm to practice any more," he added.

"Life's rosy – but it ought to be when you're in your 60s."

■ The World Championship is being shown live on Sky Sports HD, with coverage of the semi-finals and final in 3D.

GARETH ROBERTS

CUTTING THROUGH THE BULLSHIT EVERY WEEK

It's Gunner end in tears if Wenger goes

IT'S CRIMBO, so most of us will be hoping we get what we wished for when Santa empties his sack.

But the Arsenal fans calling for Arsene Wenger to taste the festive chopper – what exactly is it they are wishing for?

They want the Frenchman out, that's clear, but who do they want in? Pep Guardiola?

That all seems a bit cloud-cuckoo land given the former Barca boss seemingly has every big club in the world flashing their leg at him. Why would he choose Arsenal?

The Gunners have sold their best players year after year. And despite continual murmurs of a transfer war chest, the mega millions that could transform them into genuine Premier League and Champions League contenders has never been forthcoming.

So whose fault is that? Are we really meant to believe Wenger is choosing not to spend this mountain of mysterious dough?

Are we really supposed to stomach the idea that he decides to weaken his own hand year after year?

What seems much more likely is that the power brokers at the Emirates are more than happy with their lot.

They qualify for Europe every season, they've got a great new stadium and they've got fans filling it while paying the highest prices in the land.

There have been no new trophies in the cabinet for eight years, but does that really bother the bean counters?

Probably not. Because they'll know all too well that they've got a manager who is working miracles on the field and balancing the books off it.

Imagine the sales pitch to Guardiola: "Yes, Pep, we know you're used to paying out top wages and working with superstars. Forget that. Now we want you to make a profit on transfers, always reach the later stages of the Champions League, constantly unearth new talent, play good football and win trophies. You in?"

Monday's thrashing of Reading might just help supporters forget the Capital One Cup upset at Bradford.

But fans point the finger at Wenger for prioritising fourth in the Premier League over the cups.

However, it's a must for the balance sheet and a must for attracting – and keeping – players.

Warped football wisdom dictates it's always the manager who ultimately carries the can, but why?

It's the business model and the ambition in the boardroom at Arsenal that needs to change.

Wenger seems to be falling on his own sword. Perhaps that's what is inside that huge coat!

Three Premier League titles, four FA Cups and Champions League qualification for 15 years say Wenger is a brilliant boss.

Guardiola (above) would surely think twice about walking into that kind of pressure. And where would that leave Arsenal?

Well, Avram Grant and Mark Hughes are looking for a job... maybe Arsenal fans should watch what they wish for this Christmas.

FANS WANT BREN FIRED

SPEAKING of managers under fire, it appears that some – mainly internet-based "fans" – are already calling for the head of Brendan Rodgers at Liverpool.

A 3-1 home defeat to a pretty average Aston Villa side is enough to make anyone kick the cat. And when Villa's third went in at Anfield on Saturday the mass exodus left it looking like the turnout for a Gary Glitter reunion tour.

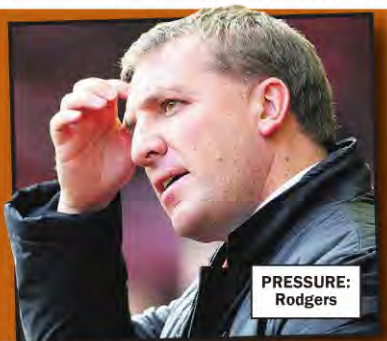

But sack the manager? After four months? Really? Take a step back here. Liverpool haven't played a Champions

League game for THREE YEARS. The top players don't want to come and the club can't afford them anyway.

That's left Rodgers relying on 18-year-old rookie Raheem Sterling – who's played as many games as anyone at Anfield this season – as one of his main attacking talents.

If Rodgers were to be given his marching orders, it would leave Liverpool searching for their FIFTH boss in two-and-a-half years.

That's f***ing insane, even by modern football's screwball standards.

Rodgers

MILLWALL 2

DAVID LOPEZ (pictured) completed the Brighton recovery to clinch a point after Millwall had surged into a two-goal lead.

Chris Wood put the Lions ahead with a goal in each half, showing why he's wanted by both clubs in January. The striker's first came in the 25th minute when he got ahead of Gordon Greer.

And when he produced a superb individual effort in the 57th minute, it looked as though Brighton were dead and buried.

But substitute Kazenga LuaLua brought them back into it with a brilliant low drive.

And Lopez kept his nerve at the death after Craig Mackail-Smith had been bundled over by Millwall's Liam Feeney.

WEST HAM'S Jack Collison is looking "onwards and upwards" after last night playing his first game since the Championship play-off final.

The 24-year-old has had to watch the Hammers' fine start to life back in the top flight from the sidelines due to a long-standing knee problem.

Collison, who last featured for the first team as they beat Blackpool at Wembley back in May, stepped up his recovery

from injury with the West Ham development squad at Norwich.

The Wales international came through 45 minutes of the 3-1 Under-21 Premier League defeat and could not hide his delight at returning.

"It was great to be back out there again," Collison said.

"I am obviously a little bit rusty, but I have ticked a box by completing 45 minutes and

hopefully it will be onwards and upwards from there.

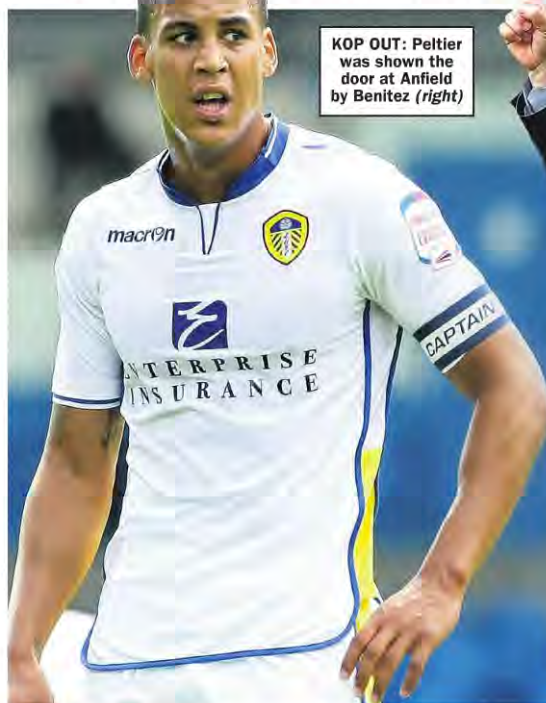

"I loved it. It was great to be playing football again."

Collison's return is a boost to injury-hit West Ham, who are without Mohamed Diamé, Ricardo Vaz Te and Yossi Benayoun.

The midfielder will not rush his return to first-team football and added: "I have obviously been out for quite a while so for me it is all about building up my fitness and getting that sharpness back."

LEE WANTS TO GIVE RAFA ELL

KOP OUT: Peltier was shown the door at Anfield by Benítez (right)

I'M NOT WORRIED - BUT I'M SHAKING

CHELSEA interim manager Rafael Benítez will shake Neil Warnock's hand.

In 2007 Benítez was accused by Warnock of playing a weakened team that he felt contributed to Sheffield United's relegation from the Premier League.

"I'm professional so will do my job. I'm professional, I will behave," the Spaniard said.

Peltier targets getting one over old Kop boss

LEE PELTIER could be in hot water with Neil Warnock - even if he helps him come out on top in his grudge match with Rafa Benítez.

Peltier is set to captain Leeds against his old boss Benítez at Elland road in their bid to upset Chelsea and book a place in the semi-finals.

The 26-year-old former Liverpool defender has been carrying a groin problem for most of the season, and Warnock will leave it up to the Scouser whether he figures in the eagerly-awaited last-eight

LEEDS v CHELSEA Tonight, 7.45pm - Sky Sports 1

clash. Despite the huge prize on offer, promotion back to the Premier League is the main aim ahead of Saturday's visit by Middlesbrough.

Warnock wants his skipper to be honest with him, and won't be happy if the versatile defender declares himself fit for tonight, only to miss the crucial weekend encounter.

The Leeds boss - who is without cup-tied Swansea loan defender Alan Tate - said: "Lee's struggled for the last few weeks with his groin

so I'll probably leave it down to him to decide.

"He was tough and go at the weekend, and I don't want him to play on Wednesday and not be available for Saturday because that's a massive game for us."

Warnock claims he's been threatened with legal action by Benítez over their five-year feud dating back to the former Sheffield United boss blaming his rival for the Blades crashing out of the Premier League.

He has never forgiven Benítez for Liverpool's shock end-of-season defeat at Fulham after fielding a weakened team.

Peltier could be forgiven for

holding a similar grudge after Benítez showed him the door at Anfield five-and-a-half years ago.

But he insists he's nothing to prove to his old boss, who Peltier insists played a major role in his early development.

He said: "I was at Liverpool for 10 years and worked under Rafa for much of that time. He gave me my debut so I've got a lot of respect for him and a lot to thank him for."

"He's come in for a bit of flak from Chelsea fans, but I'm sure he can deal with it."

"He's a manager with plenty of experience, so I'm sure he won't let that get to him."

FRUSTRATED: Jones

JONES KEN ONLY BLAME TEAM-MATES FOR FAILURE

By BRENDAN McLOUGHLIN

KENWYNE JONES has risked the wrath of his Stoke team-mates after blaming his supply line for his Premier League scoring drought.

Saturday's goal against Everton ended a 27-game top-flight scoring duck dating back to August last year.

But the 28-year-old has defended his return by insisting he only started 11 of those games and bagged four in the Europa League last season.

"I don't know if anybody noticed, but I didn't really play in the league," said Jones.

"I was just getting a few cameos, 10 minutes or whatever.

"I was playing in the Europa League and I was scoring in that.

"When I don't score, I believe I contribute massively to the cause.

"It is frustrating that I don't get to score, but the way we play I don't think we create bags and bags of chances.

Impact

"So it is frustrating when you get that half-chance and don't score."

Jones has started the last three league games in place of Peter Crouch, who has been on the bench as he recovers from a mouth injury.

"I am happy with the impact I have made since coming back into the team," he continued.

"It does my confidence good when I'm in the team and when I'm playing."

But the £8million signing from Sunderland admits he could still soon be leaving the Britannia.

"I can't pin my future to being at Stoke or being in this country," he said.

"I can't say what's going to happen come the summer time.

"For the moment, I am happy to be playing and working hard and hopefully scoring some goals."

Rafael: I became a father and now I'm a man

WHO'S THE DADDY? Rafael da Silva feels like a man after becoming a father

BRAZILIAN FEELS HE'S MATURED

By GRAHAM CHASE

RAFAEL reckons that becoming a dad has helped him flourish at Manchester United.

The Brazilian right-back, 22, had just turned 18 when he made his United debut.

But Old Trafford boss Sir Alex Ferguson believes the Samba kid has now ended his impetuous streak that often overshadowed his game.

Rafael was famously sent off in a quarter-final clash with Bayern Munich that led to their Champions League exit in 2010.

But the Brazilian finally feels his career has clicked into gear in 2012.

He said: "It's been a great year for me. I feel like I

am maturing – my daughter was born this year which has helped me a lot too.

"I have been able to play a lot of games. So I've a lot of good moments, not just in football but in life this year.

"Playing games week in, week out helps you feel more comfortable and confident.

Hectic

"I feel more experienced and like I am growing as a player and a person. I was only 18 when I first came here – I was just a boy.

"Some people may think I am still young but now I feel like I am a man."

Ferguson thinks that United will take a major

step toward the title if they remain in top spot after the hectic festive spell.

Rafael has already got his hands on two Premier League winners medals but he believes there will be more silverware to come at the end of this campaign.

He added: "My target for 2013 is like every player. We want to win trophies.

"When you're at this club that has to be your focus, we all want to win.

"When you get into January, it's then that you know the really important time in the season is not far away and there will be big game after big game.

"Of course, every game is important but after Christmas they become massive matches."

By LUKE LORDAN

arrivals of director of football Txiki Begiristain and chief exec Ferran Soriano can help City in the transfer market.

Montenegrin playmaker Jovetic, 23, admits it could be the time to leave Fiorentina.

Jovetic said: "It is 50/50 that I will continue at Fiorentina.

"The interest from Man City? I know nothing about it but it

is good to hear rumours about my work."

Mario Balotelli and City will meet at a Premier League tribunal today.

Hauled

Balotelli, 22, is refusing to pay a £340,000 fine for his poor disciplinary record last season.

The Italian front-man is set to continue his action against the club even if the panel back

City's decision and the issue could drag on for months.

Blues boss Mancini left Balotelli out of his squad for the 3-1 win at Newcastle after he was hauled off in the Manchester derby.

But he has hinted he could still use Balotelli over the busy Christmas period.

Mancini said: "We need to have all the players as we have a lot of games in two weeks."

LIONS FACE EYETIES IN U21 FINALS

ENGLAND Under-21s will face Italy in the opening match of next summer's European Championship finals.

Stuart Pearce's side have been grouped with the Italians, Norway and host nation Israel in the eight-team tournament.

The Azzurri will be England's first test in Group A at the Bloomfield Stadium in Tel Aviv on June 5.

Pearce's Young Lions meet Norway at the Ha Moshava Stadium in Petach Tikva three days later, before facing Israel at Jerusalem's Teddy Stadium on June 11.

The last three winners of the competition, Spain, Germany and Holland, join Russia in Group B.

The top two teams from each group play in the semis, where they will bid to reach the final at the Teddy Stadium on June 18.

TUBE STRIKE HAMMERS ARSE GAME

ARSENAL'S match against West Ham on Boxing Day is likely to be called off due to the threat of a Tube strike.

London Underground drivers are to down tools on December 26 giving way to major disruption for the all-London clash.

The game is expected to be rescheduled for either January 23 or 26.

It is one of three Premier League matches in London slated for Boxing Day, with the other two still set to go ahead.

QPR stated yesterday that their clash with West Brom is "definitely going ahead", while Fulham have no plans to cancel their match at home to Southampton.

Charlton, Leyton Orient and AFC Wimbledon are going ahead as planned.

FIRST WIN IS BIG BOOST FOR SHAUN

SHAUN WRIGHT-PHILLIPS is hoping QPR can kick on from their first league win of the season this weekend.

QPR won at the 17th attempt, beating Fulham 2-1 at Loftus Road.

That made it four games unbeaten for boss Harry Redknapp and Wright-Phillips wants it to continue at Newcastle.

"We got everything we deserved," the winger said. "We controlled the game from start to finish. I think they only had two corners and one deflected shot which went in.

"We defended really well. When we had to put our foot in, we did that.

"We've got to try to keep that unbeaten run going and keep picking up points.

"We need to be as strong and as resilient this weekend as we were on Saturday."

Bye Jove! City aiming to boost squad

MANCHESTER CITY have been given the green light to move for Fiorentina sensation Stevan Jovetic.

Jovetic has been on the Blues' radar for a couple of years and Roberto Mancini hopes to add to his squad next month.

City's defensive coach Angelo Gregucci confirmed in October that the Etihad outfit are still tracking Jovetic.

Mancini is confident that the

Messi staying at Barca until 2018

LIONEL MESSI has agreed a new contract to keep him at Barcelona until 2018.

The Catalan giants confirmed the Argentinian ace (above) would sign the deal "in the coming weeks". Barca also revealed that Xavi and Carles Puyol had agreed extensions until 2016.

Messi's current deal runs until June 2016 and the new agreement will keep him at the Nou Camp beyond his 31st birthday.

The forward has enjoyed an amazing year, netting his 89th and 90th goals of 2012 at the weekend.

He had already surpassed Gerd Muller's 40-year-old record of 85 goals in a calendar year and is also in contention to claim a fourth successive FIFA Ballon d'Or crown.

LAMBO WANTS A BREAK

ASTON Villa chief Paul Lambert (below) insists the idea of a Premier League winter break is snow joke.

Spain, France, Italy and Germany all have mid-season holidays and Lambert is a big fan.

He experienced it during his time in Germany with Borussia Dortmund, where he won the 1997 Champions League.

And he'd love to see it introduced in England, where the fixtures come

By BEN LLOYD

even thicker and faster over the festive period.

He said: "I think it's a great thing. I experienced it and loved it."

"The funny thing is I never felt tired over there. It helps you."

"You have all the games here. In Germany you have just one cup competition."

"The benefit you get is great. If you're carrying an injury it gives you that time to get back."

Moussa: I don't Luk like Modric

MOUSSA DEMBELE has urged Spurs fans not to compare him to Luka Modric.

The Belgium midfielder (above) has filled the gap left by attacking midfielder Modric, who went to Real Madrid last summer.

But former Fulham man Dembele said: "Before I came to Tottenham I was a big fan of Luka. For me he was one of the best players in England."

"He had different qualities to me so I don't feel I have to do exactly what he did - I play my own game. I try my best to be as important as he was and that would be a great achievement."

Dembele also hailed the return of midfielder Scott Parker. "He is a great player and he gives us more competition," he added.

COLE LOTTA TALKING

ROCHDALE boss John Coleman has spent an incredible FIVE hours talking to gutted supporters.

Coleman (below) could not keep his side in League One last term and they have slumped to five defeats in six games.

But the Dale chief has sat down with fans for one-on-one chats to get his point across - and show he is not a misery guts! "It is easy to speak to people when you're

winning, but I have never been one to hide away from things," he said.

"I've never been one to shy away from hard work or go into my shell when times are tough - I always come out fighting."

"I know I can come across as being a bit miserable, but I think when people get to know me they realise that I'm not a bad egg."

Rovers are still on a Rhodes to success

HOT-SHOT Jordan Rhodes (above) insists Blackburn can still target promotion - despite rumours about Henning Berg's future sweeping the club last night.

Rovers have managed just one win in nine matches since boss Berg replaced Steve Kean in November.

There were stories yesterday that Berg had quit Ewood Park after less than two months in charge.

But Rhodes, 22, who has bagged 11 goals since his £8million arrival from Huddersfield in the summer, is adamant Rovers can still shoot for the top six.

He said: "There are a lot of games coming up in a short space of time, and lots of points up for grabs, so bad form can turn into good form."

"With a decent run behind us, come May we can be around that top six position."

SEASIDE SPECIAL: Rodgers (inset) can get Ince for cheaper due to the sell-on clause in his Blackpool contract

IT'S WAL UP TO THEO

By IAN WINROW

THOMAS VERMAELEN says Theo Walcott is invaluable to Arsenal - but accepts there is little his team-mates can do to stop the England forward walking away next summer.

Walcott (right) was deployed in his preferred central striker's role at Reading on Monday night, where he netted the final goal in a 5-2 win.

The 23-year-old is currently in negotiations over a contract extension with the club. But, as the January transfer window looms, there is little indication of a swift conclusion.

Vermaelen said: "Of course

we want him to stay, but that is something that is going on between the player and the club."

"It happened last time with Robin van Persie. It's the job of the board and the club what they are going to do with it so we can't do anything about it."

He added: "Theo has been invaluable for us when he has played this year."

"He is dangerous for us, can stretch a team with his pace and I hope he could stay this year." It was Vermaelen's

missed penalty that saw Arsenal lose their Capital One Cup shootout at Bradford.

But the Belgian defender insists that the squad were determined to put that bitter disappointment behind them as soon as possible.

"You can't stand still too long with a defeat like that - you just learn from it and move on," he said.

"We had a lot to prove. A lot of people questioned us and maybe that's normal, but we wanted to perform against Reading and we did that."

ROGERS WILL GOBBLE UP INCE BUY

Kop's £4m swoop for Thomas

By GRAHAM CHASE

LIVERPOOL are set to kick off their January spending with a £4m swoop for Blackpool's Thomas Ince, who only left Anfield last year!

The 20-year-old winger has been targeted by a host of top Premier League clubs – including Man United.

But the Reds are able to nab him for a cheaper fee as they included a 35 per cent sell-on clause in his £250,000 switch to Bloomfield Road in August 2011.

And Kop chief Brendan Rodgers is also able to offer more regular action than Ince might get with the other big boys.

Ince – son of the former Liverpool and Manchester United captain Paul – has maintained his outstanding form after a cracking debut season for the Seaside.

The England Under-21 star has already whacked in 13 goals and will provide a fresh option to Rodgers' limited attacking line-up.

Ince made just one appearance in his previous stint with the Kop outfit – in their League Cup defeat to Northampton.

But Rodgers, who is desperate for more bodies, is confident the youngster will be on his way once the window opens. The Anfield manager has paid dearly

MAN IN DEMAND: Fernando Llorente

for the club's failure to add another striking option after allowing Andy Carroll join West Ham on loan.

He has warned that the Reds' problems will not be solved over the course of one transfer window and that there may only be two or three new faces.

Sensation

That feeling was only underlined when Liverpool suffered a shock 3-1 home loss to Aston Villa at the weekend.

The Reds have made contact with Chelsea over

wantaway frontman Daniel Sturridge. And they are also keeping tabs on Theo Walcott's contract situation at Arsenal.

Rodgers is also weighing up a swoop for Athletic Bilbao sensation Fernando Llorente.

The striker, who helped destroy Man United in the Europa League last season, is set to leave Bilbao next month as he is refusing to extend his contract.

Rodgers is determined to be in the hunt if Llorente is available, although Arsenal and Tottenham have also been keeping tabs on him.

TARGET: Daniel Sturridge

SNATCH: Pardew (inset) could get Remy at the second attempt

Summer was a bummer for Toon – Pardew

ALAN PARDEW admits Newcastle are paying the price for failing to recruit in the summer.

The worried Toon boss has cancelled Christmas for his under-performing troops, calling off their annual festive bash to focus efforts on getting back to winning ways after a single victory in 11 games.

It's a nightmare run that leaves them just two points above the drop zone before Saturday's crunch clash with fellow strugglers QPR at St James' Park.

Injuries to key players have played a major role in the Magpies' downfall, with a threadbare squad

By JASON MELLOR

struggling to cope with long-term lay-offs for Yohan Cabaye, Hatem Ben Arfa, Steven Taylor and Ryan Taylor.

Pardew brought in only two senior players in the summer transfer window – Vurnon Anita in a £4.5million deal from Ajax and Gael Bigirimana for £1m from Coventry – as owner Mike Ashley failed to splash the kind of cash hoped for by fans.

Damage

Strong interest in Marseille striker Loic Remy and Lille defender Mathieu Debuchy came to nothing in a frustrating spell that threatens to do long-term damage to the club's hopes of cementing its place as a top-six regular.

Pardew admitted: "Myself, Mike and Derek (Lambias – managing director) agree we should have brought one more senior player in. For

whatever reason it didn't happen. We have learnt from that lesson."

Pardew hopes to make amends with renewed bids for £10m-rated Remy and £5m Debuchy.

And Remy has put him on red alert after singing Toon's praises.

Pardew wants to bring in fresh attacking options, with unsettled top scorer Demba Ba attracting attention due to a £7.5m release clause in his contract.

Remy, 25, welcomed Newcastle's interest and did little to dampen speculation over a switch to Tyneside.

He said: "Newcastle are a big club with good players, very good fans and a nice stadium that is always full."

"The window opens in January. I have a contract at Marseille so let's wait and see."

Deadly Moyes tells Jag he's got to bag

EVERTON manager David Moyes has instructed Phil Jagielka to start banging the goals in.

England star Jagielka, 30, has not bagged for his club since November last year and he has revealed that Moyes is on his case.

The Toffees gaffer – who started his career at Celtic but never played at the top level in England – has not been shy about telling the defender about

his own scoring exploits. Jagielka said: "Obviously the gaffer was a centre-half who tried to score, so he is always giving us plenty of stick about not getting more."

"I don't know how many he scored but sometimes it's do as I say not do as I do! If I can chip in with a couple of goals that might help us."

MART'S DANNY JOY

By TREVOR WILLIAMS

SUNDERLAND boss Martin O'Neill is keeping his fingers crossed that Spurs don't recall on-loan full-back Danny Rose next month.

The 22-year-old (right) has been arguably the Black Cats' best player this season, having joined on a season-long deal in August.

But O'Neill has revealed there is a recall clause which could see Rose return next month.

And he is hoping that Benoit Assou-Ekotto being on the road to recovery at White Hart Lane is a good omen.

O'Neill said: "We have not

spoken to Tottenham about it in any sort of formal way."

"I think they are happy he's plying his trade here and I think Assou-Ekotto is coming into fitness now, so while they have the ability to recall him in January they might feel they are well enough stocked now."

Rose has made the left-back spot at the Stadium of Light his own, and even played a brief cameo in midfield against Chelsea a fortnight ago.

O'Neill has been hugely impressed and has expressed a

desire to keep him on Wearside, although there is little doubt that his form will have alerted Spurs boss Andre Villas-Boas.

O'Neill said: "Danny has improved immensely since he arrived and I think there's a bit more to come as well. He's got a bit of confidence now."

"Initially he was happy just to give the ball to someone in front of him, but now he's looking to make things happen himself and he is doing very well."

Suso fined over 'gay' jibe

LIVERPOOL midfielder Suso (right) has been fined £10,000 by the FA for jokingly calling team-mate Jose Enrique "gay" on Twitter.

Suso, 19, last month posted a photo of Enrique (left) having his teeth whitened with the comment: "What f*** is he doing? This guy is gay..."

The FA said in a statement: "Liverpool's Suso has been fined £10,000 and warned as to his future conduct for a comment posted on Twitter."

"The charge, which the player admitted, was that he brought the game into disrepute with a comment on his Twitter account that included a reference to a person's sexual orientation."

'ARRY MADE ME SACK HUGHES

QPR chief didn't want to miss out on Redknapp

By IAN WINROW

TONY FERNANDES says he sacked Mark Hughes because he was SCARED he'd miss out on Harry Redknapp.

QPR chairman Fernandes sensationally sanctioned the dismissal of Hughes on the eve of the club's trip to Old Trafford last month.

Rangers were rock-bottom of the Premier League without a win at the time – and Fernandes had always insisted he would stay loyal to his manager.

But the Malaysian businessman's hand was forced when it looked as though Redknapp was ready to take up an offer to manage Ukraine.

Fernandes said: "Harry is a special manager. If he wasn't available then I would probably have persevered with Mark."

"But Harry is fantastic. I've known him for years going back to when he was at West Ham."

"Him being available swung it for us."

Doubts have been raised about Fernandes's long-term commitment to the club, but he says he'll stay put even if they are relegated.

He added: "Come what may, in May we'll still be here. I'm not going to run away from things."

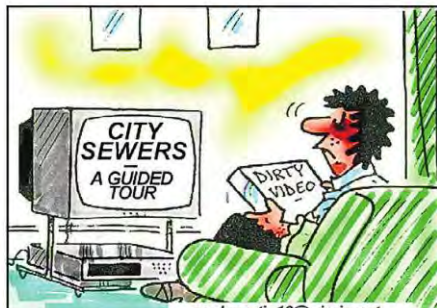

"There are still a lot of good things happening. The training ground is well on track and the stadium plans are progressing."

"There's no change to our off-field strategy. There are lots of good things going on."
